Annual Sports Report 2023-2024

Physical education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development.

Games and Sports Play a Vital Role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Around 200 students' participated in sport event it was started on 27/02/2024 and ended on 28/02/2024.

Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. it strives to excel at all levels and bring laurels to the college. With the help of college faculty we are continuously improving in sports field.

Considering the concept of "sports for all" throughout the entire session we organized inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). it is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's p physical capability.

The event started with march pass and inaugural function with presence of Dr.Abhijit Diwate Director (Medical) Dr.Ramchandra Padalkar CAO,VIMS ahemadnagar Dr.Pratibha Chandekar Principal Dr.V.V.P.Fs college of Nursing and Dr.Yogita Autade vice principal ,Mr.Amol Shelke Sport Coordinator and all teaching and non-teaching staff. Students are divided in to four groups and following events have been organized for the inter-college sports tournaments for students.

6. Feedback of the activity:-

Every student volunteer and college faculty member gather Mitti from a nearby hamlet and plants 75 seedlings in an Amrut vatika plantation on campus.

The saplings planted in the Amrit Vatika represent the hope and promise of a green and prosperous future for India. It will create and spread awareness about the importance of tree plantation and environmental protection.

7. Outcomes of the Activity Achieved:

- Increased awareness about tree plantation and the importance of sustainable practices among participants.
- Enhanced green cover on the college campus through the tree planting activity.
- Provided valuable knowledge and practical tips on environmental conservation through pledge taking.
- Fostered a sense of community and collective action towards protecting the environment.

Report on World Environment Day Celebration

- 1. Title of the Activity:** World Environment Day Celebration
- 2. Date:** 05/06/2024
- 3. Venue:** Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar
- 4. Organized by:** NSS Unit, Nature Club Unit, and Social Club
- 5. Description of the Activity with geotag photos:**

Environment Day is celebrated worldwide on 5th June to create awareness among people about protecting the environment. The first ever environment Day was held in 1973. Environment Day acts as a platform that helps create awareness about various issues that have adverse effects on the environment, like global warming, population explosion, pollution. The environment plays an integral role in maintaining the balance of the ecosystem we live in. On 5th June 2024, at Dr. Vithalrao Vikhe Patil, College of nursing's Nature club, NSS and social club organized activities such as tree Plantation and skit evoking awareness on water conservation. The tree plantation was implemented both at indoor and outdoor premises of college. The theme for this year was "Land Restoration, desertification and drought resilience." The event witnessed enthusiastic participation from both students and staff. Awareness rally was held at wadgaon Gupta village to instill awareness regarding water conservation among the residents, students actively voiced slogans and flashed charts. The rally was followed by a role play showcasing importance of environmental hygiene. The activities proved to play a significant role in promoting awareness within people.

Report on World Environment Day Celebration

- 1. Title of the Activity:** World Environment Day Celebration
- 2. Date:** 05/06/2024
- 3. Venue:** Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar
- 4. Organized by:** NSS Unit, Nature Club Unit, and Social Club
- 5. Description of the Activity with geotag photos:**

Environment Day is celebrated worldwide on 5th June to create awareness among people about protecting the environment. The first ever environment Day was held in 1973. Environment Day acts as a platform that helps create awareness about various issues that have adverse effects on the environment, like global warming, population explosion, pollution. The environment plays an integral role in maintaining the balance of the ecosystem we live in. On 5th June 2024, at Dr. Vithalrao Vikhe Patil, College of nursing's Nature club, NSS and social club organized activities such as tree Plantation and skit evoking awareness on water conservation. The tree plantation was implemented both at indoor and outdoor premises of college. The theme for this year was "Land Restoration, desertification and drought resilience." The event witnessed enthusiastic participation from both students and staff. Awareness rally was held at Vadgaon Gupta village to instill awareness regarding water conservation among the residents, students actively voiced slogans and flashed charts. The rally was followed by a role play showcasing importance of environmental hygiene. The activities proved to play a significant role in promoting awareness within people.

TREE PLANTATION DONE BY FACULTY AND STUDENT

AWARENESS RALLY WAS HELD AT VADGAON GUPTA VILLAGE TO CREATE AWARENESS REGARDING WATER CONSERVATION AMONG THE RESIDENTS. [STUDENTS ACTIVELY VOICED SLOGANS AND FLASHED CHARTS.]

6. Feedback of the Activity:

The celebration began with an opening speech by a prominent faculty member, emphasizing the significance of World Environment Day and the urgent need to address environmental challenges. Following this, students and faculty members participated in a tree planting activity on the college campus, planting various saplings to enhance the green cover. A clean-up drive was also organized, focusing on the campus and surrounding areas to promote cleanliness and environmental responsibility. Educational sessions were conducted by experts, providing insights into sustainable practices, waste management, and the importance of biodiversity. The activities were met with enthusiastic participation, creating a sense of community and shared responsibility towards the environment.

7. Outcomes of the Activity Achieved:

- A greater understanding among participants of the value of sustainable activities and tree planting.
- Increased green space on campus thanks to the tree-planting initiative.
- Gave insightful information and useful advice on preserving the environment via making pledges.
- Encouraged a feeling of community and group efforts to save the environment.

8. **Total Attendance:** 46 NSS Volunteer, 40 students from 4th sem B.Sc Nursing Students.

Report on World AIDS Day Celebration

1. Title of the Activity: World AIDS Day Celebration

2. Date: 05/12/2023

3. Venue: MIDC, Nagapur, Ahmednagar (Rally) followed by a guest lecture in the Conference Hall of Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar

4. Organized by: NSS Unit, Medical Surgical Department, Community Health Nursing Department and Social Club.

5. Description of the Activity with geotagg photographs: The World AIDS Day celebration was organized to raise awareness about HIV/AIDS and promote understanding and compassion towards those affected by the disease. The event started with a rally at MIDC, Nagapur, Ahmednagar, where participants marched with banners and posters, spreading messages about HIV prevention, treatment, and the importance of testing. The rally was followed by a guest lecture at the conference hall of Dr. Vithalrao Vikhe Patil Foundation's College of Nursing. The program was coordinated by Mr. Nitin Nirmal (NSS Unit Head), Mr. Amol Anap (Community Health Nursing Department), Mr. Nilesh Mhaske (Medical Surgical Nursing Department) Ms. Rushali Kunjir (Social Club).

AWARENESS RALLY WAS HELD AT VADGAON GUPTA VILLAGE TO CREATE AWARENESS ABOUT HIV/AIDS AND PROMOTE UNDERSTANDING AND COMPASSION TOWARDS THOSE AFFECTED BY THE DISEASE.

GUEST LECTURE ON "LET THE COMMUNITIES LEAD".

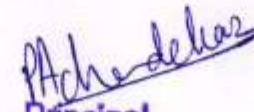

Feedback of the Activity: The rally witnessed enthusiastic participation from students, faculty, and local community members, who marched with zeal and determination to spread awareness. The guest lecture in the conference hall featured prominent speakers who discussed various aspects of HIV/AIDS, including prevention strategies, the latest treatment options, and the social stigma associated with the disease. The lecture was highly informative and engaging, providing attendees with valuable insights and practical knowledge. The coordination among the departments and the active involvement of the NSS unit ensured the smooth execution of the event.

7. Outcomes of the Activity Achieved:

- Increased awareness about HIV/AIDS among participants and the local community.
- Promoted empathy and support for individuals living with HIV/AIDS.
- Fostered a sense of community engagement and responsibility among students and faculty.

8. Total Attendance: 41 NSS Volunteers, 56 students from 3rd Year GNM & 72 students from 1st year GNM

6. Feedback of the activity:-

Every student volunteer and college faculty member gather Mitti from a nearby hamlet and plants 75 seedlings in an Amrut vatika plantation on campus.

The saplings planted in the Amrit Vatika represent the hope and promise of a green and prosperous future for India. It will create and spread awareness about the importance of tree plantation and environmental protection.

7. Outcomes of the Activity Achieved:

- Increased awareness about tree plantation and the importance of sustainable practices among participants.
- Enhanced green cover on the college campus through the tree planting activity.
- Provided valuable knowledge and practical tips on environmental conservation through pledge taking.
- Fostered a sense of community and collective action towards protecting the environment.

8. Total Attendance:- 50 students.

- 5. Description of the activity with geotag photographs:** - International Nurses Day is celebrated each year on the 12th of May, the anniversary of Florence Nightingale's birth. 204 years after the birth of the 'the Lady with the Lamp,' we recognize this 'Social reformer who was the foundational philosopher of modern nursing,' by continuing to advance her cause. This year, the theme of International Nurses Day (IND) reminds us all of the "the economic power of care." In the words of the International Council of Nurses, "despite being the backbone of health care, nursing often faces financial constraints and societal undervaluation. IND 2024 aims to reshape perceptions, demonstrating how strategic investment in nursing can bring considerable economic and societal benefits." The lighting of the lamps and the guest's congratulations opened the program. The welcoming address was given by a B.Sc. Nursing student in the second semester. Following that, pupils dedicated to the duty and devotion of nurses completed a cultural event. Attendees of the event included staff nurses, GNMs, B.Sc. nursing students, and teachers. The program's high point is that Ahmednagar's Dr.V.V.P. F's College of Nursing won the Best Nursing College Award.
- 6. Feedback of the activity:** -
Enthusiastic involvement in the events fostered a sense of familial duty and shared responsibility for the nurses.
- 7. Outcomes of the activity achieved:** -Increased awareness among participants of the importance of sustainable activities and the fact that the day is dedicated to advocacy and introspection. It's an opportunity to honor the kindness, tenacity, and commitment of nurses everywhere and to advocate for policies that will strengthen and empower the nursing field
