Dr. Vithalrao Vikhe Patil Foundation's,**Medical College, College of Physiotherapy and College of Nursing.****Ahmednagar-414111**

and

Industrial Training Institute,**Plot No. B-4/2, MIDC, Ahmednagar- 414111****THIS AFFILIATION AGREEMENT is entered into by and between-**

Constitute Health Sciences Institutes of Dr. Vithalrao Vikhe Patil Foundation, Ahmednagar (hereinafter "Educational Institute ") and, the training institutes with various departments in Industrial area of Ahmednagar (hereinafter "ITI") Together these are the " the Parties" to this Memorandum of Understanding. The Parties agree that their respective organizations and relevant contracted agencies will endorse and adhere to this Memorandum of Understanding at all levels operations.

1.1. BACKGROUND

Electronic waste or e- waste is a term for electronic products that have become unwanted, non- working or obsolete, and have essentially reached the end of their useful life. Because technology advance at such a high rate, many electronic devices become technology advance at such a high rate, many electronic devices become "Trash" after few short years of use. As constituent institutes (Medical, Physiotherapy and Nursing), delivers educational health services to community and

[Signature]
Principal
Dr. Vithalrao Vikhe Patil Foundation's
Industrial Training Institute (Pvt.)
M.I.D.C. Ahmednagar-414111

Students Verity of E- equipments are utilized while delivering these service in the form of LCD's CPU, Mouse, Monitors, ICU equipments, Physiotherapy / Medical equipments etc.

E- Waste contains many valuable recoverable materials such as aluminum, copper, gold, silver, plastics, and ferrous metals. In order to conserve natural resources and the energy needed to produce new electronic equipment from virgin resources, electronic equipment can be refurbished, reused and recycled instead of being landfilled.

1.2 E- WASTE - GOVERNING RULES:

Both parties agreed to follow E- Waste (Management & Handling) Rules, 2011 which were notified in the year 2011 and came into force since 1st May 2012 in order to ensure effective implementation of E- Waste Rules and clearly delineate the role of produces in EPR, MoEF & CC, Government of India in supersession of E- Waste (Management and Handling) Rules, 2011 has notified the E- Waste (Management) Rules, 2016 vide G.S.R 338 (E) dated 23 March 2016 Which came into effect from 01 October 2016. These rule are applicable to every producer, consumer or bulk consumer, collection center, dismantler and recycler of e- waste involved in the manufacture, sale, purchase and processing of electrical and electronic equipment.

1.3 DEFINITIONS AND INTERPRETATION:

1. Electronic Waste (E-Waste) - The term E- Waste will refer to the below mentioned electrical and electronic waste for the purpose of the Agreement which includes:

Computers & Peripherals (CPU, Keyboard, Mouse & Monitor)	ICU Equipment (Ventilators, Monitors, Defibrillator etc)
Laptops	Treadmill
Servers	Physiotherapy Equipments (SWD,US,IFT, etc)
PCBs	Projectors
Mobiles or Communication devices	UPS
Mother Boards (Computers & Laptops)	Shredder
Security Devices	Lab equipments
Telecom Equipment	Printers & Scanners

1.4. SCOPE OF THE MEMORANDUM OF UNDERSTANDING:

WHEREAS, Dr. Vithalrao Vikhe Patil Foundation, Ahmednagar desires to keep the environment clean and help the other party to use e- waste for educational purpose.

WHEREAS, Industrial Training Institute is willing to make available its facilities and resources for recycling reusing of e- waste products for teaching of training of their students. This will enable benefit to both parties in terms of a safe environment and teaching on E- waste.

THEREFORE, in consideration of the mutual covenants contained here in the Dr. V.V.P. Foundation and ITI agree upon as follows:

- 1.4.1 The best interests of the bot institutes are the primary concern and purpose of the services.
 - 1.4.2 The parties will develop and foster collaborative working relationships and make the best use of available resources to provide the Services.
 - 1.4.3 Best practice and professional standards will be adhered to provide the Services.
 - 1.4.4 The Parties agree to work flexibly together and to provide the Services.
 - 1.4.5 Neither party, in performing its responsibilities and obligations under this Agreement, will discriminate against any person because of said person's race, creed, religion, national, origin, sex or age.
 - 1.4.6 This Memorandum of Understanding and the Operational Guideline will serve as the basis for Local Level Agreements. The Local level Agreement will outline how health and education services will work together to deliver quality services.
 - 1.4.7 Both the parties will be responsible for the statutory compliance including environmental compliances pertaining to the activities and services mentioned above, E - Waste (Management and Handling) Rules, 2011, has notified the E- Waste (Management) Rules, 2016 vide G.S.R. 338 (E) dated 23 March 2016 and Dr. V.V.P. Foundation will not in any way be responsible for the same once waste material is handed over to ITI.
- 1.5 THEREFORE** in consideration the Dr. V.V.P. Foundation will provide following services to ITI: - Collection of e waste from constituent institutes at one center point- Segregation of e- waste in reusable and recyclable (As per Guidelines) Notify the ITI with list for pickup with precaution.
- 1.6. THEREFORE** in consideration the ITI will provide the following services to Dr. V.V.P Foundation:

4. **Use of the radioactive source/equipment:** The radioactive source/equipment shall be used only after obtaining all the applicable regulatory clearances from AERB.
5. **Disused equipments:** When an equipment, is no longer in used for the authorized purpose, or upon completion of its useful life, the equipment should be decommissioned, in accordance with the procedure for the same laid down by AERB.
6. **Storage of equipment not in Use:** When not in use, security of the equipment needs to be ensured.
7. **Responsibility as to the safety and the security of the equipment:** From the date of receipt up to the time of decommissioning of the equipment, the safety and security of the equipment is the responsibility of the employer.
8. **Sale or transfer of equipment:** The equipment should not be sold or otherwise transferred to another person without obtaining the specific consent from AERB.
9. **Shifting of equipment within the same premises:** The equipment should not be shifted from the location where it was intended to be used as indicated in the concerned site and layout approval, without obtaining specific prior consent from AERB.
10. **Transport of the equipment outside the premises:** The equipment should not be transported out of the location where it was intended to be used as indicated in the concerned site and layout approval, without obtaining specific prior consent from AERB. Upon obtaining such consent, the equipment should be transported in accordance with the procedure laid down by AERB for the safe transport of radioactive material, as applicable.
11. **Accident involving the equipment:** If an accident involving the equipment occurs, the same should be intimated to AERB within 24 hours of the occurrence. In the event of loss or theft of the equipment, the matter should also be reported to the local police within 24 hours of occurrence of the incident.
12. **Non-Utilization of the NOC:** In case of non utilization of the NOC for procurement, a Non-Utilization report need to be submitted to AERB within one month of from the date of expiry of the NOC.
13. **Penalty:** The consent can be withdrawn, amended, revoked or suspended by AERB, as specified in the Atomic Energy (Radiation Protection) Rules, 2004, if any of the terms and conditions of the consent is contravened. Where deemed appropriate, AERB may initiate penal action against the concerned party in the event of offences, as provided in the Atomic Energy Act, 1962.
