Student related Welfare Activities

Different activities were organized by the student council for the academic year 2021-22. Started the year with the Students Induction program. The idea of this program was to welcome the first year students and to introduce them to the various activities conducted in the college. It was an interactive program in which the students were also provided information about the various college committees. They were also advised on personal safety and security matters. Orientation was provided regarding to their programs, courses, fees, accommodation, rules & regulations of the college. The different cultural activities like dancing, singing, drama and mimicry were conducted annually. The sports activities & competitions were conducted like outdoor and Indoor games across the year.

Ganesh Festival was organized by council which provides the platform for the creativity and extra-curricular talent of the students. Fine arts competition was conducted in which the activities like Painting, Poster making, sketching, face painting, best out of waste, Mehendi, Rangoli and were included.

The mentorship program was implemented to assist students to improve their academic performance, to counsel, provide support, advice to problems faced by students and overcome their problems Every student has access to computer & internet for academic matters..

Student related Academic Activities

So one student name added in college curriculum committee .Communication skills, development analytical skills development, language &, human value development, personality & professional development, employability skill development and Yoga these Capability enhancement programs were organized & conducted by the student's council. Students Council associated and helped students to participate in different competitions in which students were encouraged to show their talents.

Student related Administrative Activities

The different National Days celebration and social activities were organized by student council in association with NSS (National Service Scheme). Student council coordinated with students in organizing Teachers day on September 5. World's Aids day was conducted on 1st December, environmental day also conducted on 5th June. Health Camp, Blood Donation Camp, International Nurses Day, World Environmental Day, World mental health day, World Heart Day etc.

Welfare Activities of Students:

The Students Council conducted number of various activities for the academic year 2019-20. We started the year with the Students Orientation program. The purpose of this program was to welcome the first year students and to familiarize them to the different activities conducted in the college. It was an interactive program in which the students were also provided information about the different committees in college. They were also advised on personal safety and security matters. Orientation was provided regarding to their programs, courses, fees, accommodation, rules & regulations of the college.

The sports activities & competitions were conducted like outdoor and Indoor games across the year. Marathon was also conducted the different cultural activities like dancing, singing, drama and mimicry were conducted annually. Fine arts competition was conducted in which the activities like Painting, Poster making, sketching, face painting, best out of waste, Mehendi, Rangoli and Tattoo making were included. Every year the exhibition of fine art was hold for 2 days at the end of annual gathering.

Every student has access to computer & internet for academic matters. The mentorship program was implemented to assist students to improve their academic performance, to counsel, provide support, advice to problems faced by students and overcome their problems. Ganesh Festival was organized by council which provides the platform for the creativity and extra-curricular talent of the students.

Administrative Activities of Students:

Students were involved in different administrative committees like Anti - Ragging & Discipline, Hostel and Library Committees etc. Student council coordinated with students in organizing Teachers day on September 5. World's Aids day was conducted on 1st December, environmental day also conducted on 5th June. World Mental Health Day on 10th Oct. International Nurses Day on 12th May.

The different National Days celebration and social activities were organized by student council. Student Coordinators from different batches helped in organizing different activities like tree plantation, cleaning of college premises, Swacch Bharat Abhiyan, etc. Students Council helped students to participate in different competition in which students were encouraged to show their talents.

Academic Activities of Students:

Human value development, personality & professional development, employability skill development and Yoga, soft skills development, analytical skills development, language & communication skills development, these different capability enhancement programs were organized & conducted by the student's council Welcome and farewell functions were organized by the council for incoming and outgoing students.

Report of National Youth Day

Date: 12/01/2020

Venue: Dr. Vithalrao Vikhe Patil College Of Nursing, Ahmednagar

Region: Pune

The youth day was celebrated in Nursing college on 12th January 2020. The program was organized in collaboration with **Bahishal Shikshan Mandal Yojana, MUHS, Nashik.** This day inspires youth generations and every year is celebrated with a particular theme.

"We are what our thoughts have made us; so take care about what you think. Words are secondary. Thoughts live; they travel far".-Swami Vivekananda

"All differences in this world are of degree, and not of kind, because oneness is the secret of everything".-Swami Vivekananda.

For the celebration the guest lecture sessions were arranged for the students. The sessions were conducted on **"Crime against Women and Children"** and **"Cyber Safety for Women"**. For making the awareness related to the increased crime rates **"Dilasa cell"** and **"Cyber cell"** unit from Ahmednagar police station had taken initiative to take the sessions for the students as well as for the staff. The sessions were taken by Mr. Nilesh, Mr. Yogesh Gosavi, Mrs. Jayashri Kale and Mrs. Amita Kuche from cyber cell and dilasa cell had taken the sessions for the students. The students and the staff were overwhelmed and highly benefitted by the sessions taken by the guests.

The sessions were interactive and students as well as staff were enriched with the knowledge given by both the speakers. The students who attended the sessions were from 1st and 2nd year M. Sc., 2nd & 3rd year B. B. Sc. Nursing. The organizing team of the program were:

1. Mr.Amit Kadu: Assistant Professor
2. Mr.Nilesh Mhaske: Assistant Professor
3. Ms.Salome Teldhune: Assistant Professor
4. Ms.Pratima Mohite: Assistant Professor

Student Welfare Activities:

Academic year 2018-19 various activities were organized by the student council at the starting of the year Students Induction program was conducted. The purpose of this program was to welcome the first year students and introduce them to the different activities conducted in the college. Students were more interactive, they were provided information regarding the various committees present in the college. They were also advised on personal safety and security matters.

The mentorship program was implemented to assist students to improve their academic performance, to counsel, provide support, advice to problems faced by students and overcome their problems. Ganesh Festival were organized by council which provides the platform for the creativity and extra-curricular talent of the students.

Fine arts competition was conducted in which the activities like Painting, Poster making, sketching, face painting, Mehendi, and Rangoli were included.

Every student has access to computer & internet for academic matters. The institute also provided the language laboratory to improve the vocabulary in English. The different cultural activities like dancing, singing, drama and mimicry were conducted annually. The sports activities & competitions were conducted like outdoor and Indoor games across the year. Marathon was also conducted.

Students Academic Activities

The different capability enhancement programs like human value development, Soft skills development, analytical skills development, language & communication skills development, personality & professional development, Yoga and employability skill development were organized & conducted by the student's council.

Students Administrative Activities

Council secretary, member and student coordinators helped students to participate in different competitions in which students were encouraged to show their talents. Welcome and farewell functions were organized by the council for incoming and outgoing students. Student council coordinated with students in organizing Teachers day on September 5. World's Aids day was conducted on 1st December, environmental day also conducted on 5th June.. World Aids Day on 1st Dec. etc.

Report of World Mental Health Day

Date: 8/10/2018- 12/10/2018

Venue: Seminar Hall Civil Hospital Junior College

Region: Pune

Targeted Audience: College Student From Nursing And Junior College

The mental health day celebration was based on theme given by world federation for mental health is for 2018 is "YOUNG PEOPLE AND MENTAL HEALTH IN CHANGING WORLD". The various activities were performed by students of nursing like skit based on theme of world mental health day which has given more contributions to create an awareness about mental health of young people in changing world. Adolescence and the early years of adulthood are a time of life when many changes occur, for example changing schools, leaving home, and starting university or a new job. For many, these are exciting times. They can also be times of stress and apprehension however. In some cases, if not recognized and managed, these feelings can lead to mental illness. The expanding use of online technologies, while undoubtedly bringing many benefits, can also bring additional pressures, as connectivity to virtual networks at any time of the day and night grows. Many adolescents are also living in areas affected by humanitarian emergencies such as conflicts, natural disasters and epidemics. Young people living in situations such as these are particularly vulnerable to mental distress and illness.
