From the Principal Desk

Dr. V.V.P.F.'s college of nursing was established in the year 2005 with G.N.M. Programme and later on B.B.S.C. nursing in 2008 with an intake capacity of 50 seats. Our institute started P.B.B.S. Nursing in 2010 with an intake capacity of 30 seats and an M.Sc. nursing program with 16 intake capacity in 3 specialties, namely M.S.N., MHN, and C.H.N. Our prestigious college is recognized by Govt. of Maharashtra, Approved by M.N.C., Mumbai, I.N.C., New Delhi and also affiliated to M.U.H.S., Nashik and also in the process of N.A.A.C. Accreditation.

The college has a rich history of educating exceptional nurses who make a difference in the health care of individuals in our region and beyond. Our college is poised to address the challenges with an innovative academic program that facilitates students' progression toward advanced degrees. In addition, our college has 950 bedded multispecialty parent hospitals with exclusive hands in clinical learning and practice areas for the benefit of our students.

Our Diploma and undergraduate program are implemented with global standards in Curricular and extracurricular activities. Latest technology educational aids are used to make the teaching-learning experience more exciting and wholesome. The college has well-equipped labs, the Library of the college is well stocked with new editions of books, and recently we purchased a total of 28 books with 112 copies.

I am delighted that our college has organized the 1st International Conference on Evidence-Based Practice this year, also organizing a Basic Research Methodology workshop, Lamp Lighting and graduation ceremony, and many more extension activities for faculty and students. We have a highly dedicated group of faculty who run a professional approach in each and every area of teaching-learning development, and leadership

INTRODUCTION

Dr. Vitthalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar, is recognized by the Government of Maharashtra, Maharashtra Nursing Council, Mumbai and Indian Nursing Council, New Delhi. The institute was established with RGNM Programme in 2005 with an intake capacity of 20, Basic B.Sc. Nursing in 2008 with an intake capacity of 50, Post Basic B.Sc. Nursing in 2010 with an intake capacity of 30 and a Master in Nursing in the year 2017 in 03 disciplines with an intake capacity of 16 (Medical Surgical Nursing, Mental health Nursing, and Community Health Nursing), which is affiliated with Maharashtra University of Health Sciences, Nashik.

The Institute building is located in the Vikhe Patil Foundation campus, spread over three acres of land with continuous up-gradation of the facility at the college. Loknete Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee) deeply realized the proper rural upliftment possible through the improvement of the health sector only, which contributed towards the development of this college of Nursing in 2005. With a commitment to the implementation of a vision, Hon. Shri. Radhakrishna Vikhe Patil, through Hon. Dr. Sujay Vikhe Patil (Member of Parliament), educates and graduates rural

youths to professional excellence based on holistic nursing care practices contributing quality education to meet the challenges they will face with global standards in the 21st century. It endorses an opportunity for an individual to stand on their own feet in their true sense through professional and economic stability.

The faculty are continuing to advance nursing practice in the clinical, research, and teaching areas, which indicates students who are graduating as well-prepared nursing leaders. Our Institution emphasizes planning, strong will, and determination as the essential requirements to fulfil objectives and to succeed in life.

The curriculum growth of UG and PG courses indicates a continuous journey beyond the threshold of mediocrity to soar into an ever-continuing explorative experience in quality education. Accordingly, our faculties afford particular care in the development of each student's imaginative, affective, and creative dimensions in all aspects of education.

VISION & MISSION

VISION:

To develop the centre of professional excellence in nursing with global standards, quality education, health care and research towards the prodigious dedication to the nation.

MISSION:

1. To prepare the nursing students with global standards curriculum, learning, teaching, technology and research catering towards the professional excellence.
2. To make learning as an experience that will inspire learners to reach their full potential to become as a role model.
3. To fulfill comprehensive health care needs of the nation with holistic approach.
4. To foster the leadership through the values based on patient care practices integrated with interdisciplinary collaboration and partnership.
5. To contribute the professional development of the faculties as per the academic requirements.

THE CAMPUS

The College of Nursing campus stretches over an area of 18.51 acres with a built-up area of 28750 sq. mt. The campus is situated in the hilly regions of the "Ghats of Vilad" of the Ahmednagar district. This area comprises the rural sector of Ahmednagar District. The campus is amidst the lush green shades of nature and a serene place away from the hustle and bustle of the urban sector and has excellent pollution-free breezes. Hence it is advantageous for a calm and quiet recovery of ill patients. Also, the campus is comfortable enough to seek out the day-to-day needs of the students, faculty, and visitors.

The College Buildings:

The college of nursing has its separate two-storey building constructed as per the norms of governing agency. There are 11 lecture halls with ICT facilities. 6 well-equipped clinical laboratories are available for students' clinical practice. The college has a library with a sufficient number of books and infrastructure. The auditorium, with 500 capacities, enables the execution of cultural & academic programs. On the ground floor, college administration blocks are placed.

The Hostels:

The institute provides hostel facilities for students and outside research scholars. There are boys & 1 girls hostels for the U.G., P.G. The number of rooms in all the hostels adequately and comfortably accommodates all the students. Each hostel room is provided with basic facilities like a bed, study table, chairs, cupboard, and electrical fittings like fan and tube lights. Some rooms are provided with attached washrooms, and the rest with common washroom facilities. The rooms are sectioned to provide double seater & triple seater accommodation. The central facilities provided in each hostel include the solar water heater, R.O. purified drinking water facility with a water cooler, recreation room, main telephone, first aid facility, newspaper, and reading rooms. The recreation room is provided with seating arrangements that include tables and chairs, television, and indoor games. Each hostel is also provided with a mess which provides meals including breakfast, lunch, dinner, and snacks in a specified span of time.

Hygiene and food quality are strictly maintained in a mess. Also, the hostels are provided with ICT facilities like computers, internet.

Adequate water and electricity supply is ensured to each hostel. A residential warden is appointed for each hostel to supervise and assist the residential students 24 X 7. A separate rector who is a teaching faculty is also nominated for each hostel to ensure the well-being of the students. In addition, 24 x 7 security and seven prompt maintenance services are ensured for each hostel.

Staff Quarters:

To ensure 24X7 services and well-being of the students and campus maintenance, several faculty including administrative, teaching, and non-teaching staff, are accommodated in six staff quarters. A 24X7 water & electricity supply, security, and prompt maintenance are ensured for the staff quarters. A special mention is the pick-up & drop services of the school bus of Vikhe Patil English Medium School.

The school ensures the convenience and safety of the children of the residential staff. All the staff quarters are provided with parking lots for vehicles. Each residential staff member is allotted a parking lot to avoid inconvenience to other staff. To ensure security, each staff vehicle is provided with a parking sticker for the vehicles.

Other Amenities:

1. **Auditorium:** The institute offers an auditorium with adequate seating capacity to enable the execution of cultural & academic programs
2. **Gardens:** The campus has several well-maintained, beautifully blooming gardens. To keep the gardens green and conserve water, STP-treated water is used for watering the gardens.
3. **Children's Park:** The campus possesses a children's park to encourage outdoor activities for the children of residential staff.
4. **General stores:** Stores providing grocery, cosmetics, stationaries, bakery products, etc. An optical store is present, which offers various types of spectacles and lenses as per requirement.
5. **Bank:** The "Pravara Cooperative Bank" extension counter exists inside the campus to facilitate the monetary transaction.
6. **ATM:** The ATM facility provided by the SVC Bank is inside the campus.
7. **Bus stop:** A bus stop exists for city buses inside the campus. In the hilly and rural part of Ahmednagar district, a bus stop inside the campus greatly helps the needy and the underprivileged.
8. **Grooming facilities:** Beauty parlors and saloons exist inside the campus.
9. **Laundry services:** Laundry services are provided for the campus residents, including the students and resident staff.
10. **Postal facilities:** Postal facilities are provided for the students and staff by deputing a specific staff to carry couriers to and from the local post office.
11. **Medical bookstore:** The availability of medical books in the campus is convenient for the students
12. **Temples:** Temples for deities like Shri Ganesh, Shri Saibaba & Shri Dattaguru are present inside the campus.
13. **Parking lots:** Separate & adequate parking area is provided for hospital staff & visitors, college staff & students, staff quarters, and hostels.
14. **Security services:** 24X7 security is ensured at various places throughout the campus, including right from the foundation gate to the hospital, college, hostels, staff quarters, etc.
15. **Illumination:** The campus is adequately illuminated by street lights.

Best Practices

A] Earn while you learn Scheme

- Objectives:**
- i. To provide financial assistance to economically backward and needy students.
 - ii. To teach them Clinical, Professional, library, and financial management.
 - iii. To make students develop a multidimensional personality.
 - iv. To motivate students for self-employment.
 - v. To promote the dignity of labour and social commitment among the students.
 - vi. To increase access to higher education for students from economically weaker society sections.
 - vii. To financially support all deserving poor students without discrimination of caste, creed, or gender.
 - viii. To help the students develop and teach work ethics, self-discipline, and confidence building.

The vision of our Founder, the Late Dr. Hon. Dr. Eknathrao alias Balasaheb Vikhe Patil Padmabhushan Awardee (10 April 1932 - 30 December 2016), was Social Transformation through Education, with this realization; he adopted a strategy to raise awareness among the small peasants and the rural poor, through the spread of technical and non-technical education. This scheme is basically undertaken for the benefit of students coming from rural areas, which are economically backward, intelligent, and meritorious but cannot afford higher education. The scheme is addressed in a planned manner. It thus provides financial assistance to economically backward and needy students and motivates them for self-employment, to develop multidimensional personality and confidence building. Even though rural students get admission to various courses at the University, they need help to afford accommodation, payment of fees, boarding, and related facilities. This scheme was formulated as a solution to all these problems and is a revolutionary step.

Another scheme introduced by the management is open to all students who have been admitted to our institution. Our parent hospital provides an opportunity for them to work in clinical after academic hours, i.e., from 6.00 pm to 12.00 am, and pays about 13,000-16,000 / month. The students are posted in different clinical areas like Medical wards, surgical wards, and Paediatric wards, ICUs, OTs and Casualty without affecting their academics.

Research

Research at the Dr.Vithalrao Vikhe Patil Foundations College of Nursing is conducted according to the principles of integrity, academic excellence, accountability, inclusiveness, and professionalism. All research work must follow appropriate ethical, legal, and professional frameworks, obligations, and standards from inception till publication.

The Code of Ethics for Research Practice has been composed at par with the principles laid out in other relevant policies, guidelines, and codes of conduct, including those of funding bodies. This describes the principles underpinning the ethical conduct of research and defines the process and directions for the objective and rigorous, honest review of research, which falls within its scope.

This code applies to all the faculty, students, and visiting researchers of the Institute, including persons holding honorary appointments and students on placements who conduct research within or on behalf of the institute.

Alumni

Alumni are effective role models and can be easily accepted by students. As alumni return in support of the college, they bring credibility and ownership as part of a successful institute, breathe the same air and face the same challenges that students face. Students can easily accept the experiences shared with alumni as guidance and inspiration in time management, financial management, self-discipline, and character development or career management. In this way, alumni can help build trust, improve motivation, and develop the culture the college wants to convey to students.

Internship Orientation Programme

The internship provides a clinical training opportunity for the nursing interns in their last year to reinforce and integrate clinical skills and knowledge acquired during their study. The intern will spend 24 weeks in training. The intern will utilize the necessary clinical and practical experience to consolidate professional nursing knowledge and skills in providing quality nursing care to patients with various health problems. The intern will provide nursing care under the supervision of preceptors in the clinical areas of their choice with the guidance and indirect supervision of faculty members. In addition, the interns will be provided evidence of mastering the competencies required for a professional registered nurse. This is an intensive hands-on training experience that will facilitate the nurse intern to handle a variety of patient conditions better by utilizing critical thinking, nursing process, problem-solving, decision-making, and professional and management roles in the provision of nursing care. During this period, the interns will be evaluated based on the following:
