Report on World Environment Day Celebration

- 1. Title of the Activity:** World Environment Day Celebration
- 2. Date:** 05/06/2024
- 3. Venue:** Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar
- 4. Organized by:** NSS Unit, Nature Club Unit, and Social Club
- 5. Description of the Activity with geotag photos:**

Environment Day is celebrated worldwide on 5th June to create awareness among people about protecting the environment. The first ever environment Day was held in 1973. Environment Day acts as a platform that helps create awareness about various issues that have adverse effects on the environment, like global warming, population explosion, pollution. The environment plays an integral role in maintaining the balance of the ecosystem we live in. On 5th June 2024, at Dr. Vithalrao Vikhe Patil, College of nursing's Nature club, NSS and social club organized activities such as tree Plantation and skit evoking awareness on water conservation. The tree plantation was implemented both at indoor and outdoor premises of college. The theme for this year was "Land Restoration, desertification and drought resilience." The event witnessed enthusiastic participation from both students and staff. Awareness rally was held at wadgaon Gupta village to instill awareness regarding water conservation among the residents, students actively voiced slogans and flashed charts. The rally was followed by a role play showcasing importance of environmental hygiene. The activities proved to play a significant role in promoting awareness within people.

6. Feedback Of the Activity:

The celebration began with an opening speech by a prominent faculty member, emphasizing the significance of World Environment Day and the urgent need to address environmental challenges. Following this, students and faculty members participated in a tree planting activity on the college campus, planting various saplings to enhance the green cover. A clean-up drive was also organized, focusing on the campus and surrounding areas to promote cleanliness and environmental responsibility. Educational sessions were conducted by experts, providing insights into sustainable practices, waste management, and the importance of biodiversity. The activities were met with enthusiastic participation, creating a sense of community and shared responsibility towards the environment.

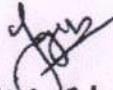

7. Outcomes of the Activity Achieved:

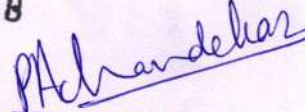

- A greater understanding among participants of the value of sustainable activities and tree planting.
- Increased green space on campus thanks to the tree-planting initiative.
- gave insightful information and useful advice on preserving the environment via making pledges.
- Encouraged a feeling of community and group efforts to save the environment.

REPORT ON SWACHHATA ABHIYAN

1. Title of the Activity: Swachhata Abhiyan
2. Date: 25/08/2023
3. Venue: Vadgaon Gupta, Ahmednagar
4. Organized by: NSS Unit, Dr. Vithalrao Vikhe Patil College of Nursing, Ahmednagar.
5. Program Coordinator: Mr. Nitin Nirmal, Asst. Professor & Mr. Stephen Bhambal, Tutor, Dr. Vithalrao Vikhe Patil College of Nursing, Ahmednagar.
6. Description of the Activity:

The Swachhata Abhiyan was conducted on 25th August 2023 by the NSS Unit of Dr. Vithalrao Vikhe Patil College of Nursing, Ahmednagar, under the leadership of Program Coordinator Mr. Nitin Nirmal and Mr. Stephen Bhambal. The event was organized as part of the college's ongoing commitment to promoting cleanliness and environmental sustainability. A total of 48 NSS participants actively took part in the cleanliness drive at Vadgaon Gupta, Ahmednagar.

The participants engaged in various activities including cleaning the streets, removing waste, and spreading awareness among the local community about the importance of maintaining a clean and hygienic environment. The event aimed to instill the values of cleanliness and responsibility among students while also contributing to the betterment of the community.

7. Feedback of the Activity:

The Swachhata Abhiyan was well-received by both the participants and the local community. The community members appreciated the efforts of the students in cleaning the area and promoting the message of cleanliness. Participants felt a sense of accomplishment and pride in

contributing to the Swachh Bharat Mission. The event was commended for its effective organization and the active participation of the NSS volunteers.

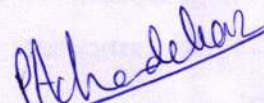

8. Outcomes of the Activity Achieved:

- Successfully cleaned the designated area at Vadgaon Gupta, making it cleaner and more hygienic.
- Raised awareness among the local community about the importance of cleanliness and hygiene.
- Provided a hands-on experience for students in community service and environmental sustainability.
- Strengthened the college's commitment to social responsibility and the Swachh Bharat Mission.

9. Total Attendance: 48 NSS Participants.

WORLD HEALTH DAY REPORT: ROLE PLAY & POSTER COMPETITION

- 1. Title of the Activity:** Role Play and Poster Competition Exhibition on World Health Day
- 2. Date:** 6th April 2024
- 3. Venue:** Dr. Vithalrao Vikhe Patil Memorial Hospital, Ahmednagar & Tarakpur Bus Stand, Ahmednagar
- 4. Organized by:** NSS Unit, Medical Surgical Nursing, Child Health Nursing, Mental Health Nursing, OBGY, and Community Health Nursing of Dr. V.V.P.F's College of Nursing, Ahmednagar.

5. Description of the Activity:

On the occasion of World Health Day, a Role Play and Poster Competition Exhibition was conducted in collaboration with the Rotary Club. The event aimed to raise awareness about various health issues and promote healthy living through creative and interactive activities. Students from different departments participated in the role play, presenting scenarios related to common health problems and their prevention. Additionally, a poster competition was held, where students created informative and visually appealing posters on various health topics.

- 6. Program Coordinators:** Dr. Yogita Autade (Professor cum Vice Principal), Mr. Amol Temkar (Professor), Mr. Amit Kadu (Associate Professor), Mr. Nilesh Mhaske (Associate Professor), Ms. Salome Teldhune (Associate Professor), Mrs. Kavita Bhoknal (Associate Professor), Mr. Manish Tadke (Assistant Professor), Mr. Amol Shelke (Assistant Professor), Mr. Nitin Nirmal (Assistant Professor), Mr. Amol Anap (Assistant Professor), Ms. Pallavi Kharade (Assistant Professor), Mrs. Wincy Wilson (Assistant Professor), Mr. Prashant Amrit (Clinical Instructor), Ms. Rushali Kunjir (Clinical Instructor)

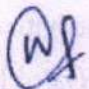

7. Feedback of the activity:

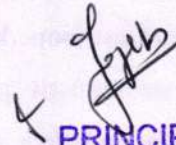

The event commenced with an opening address by the program coordinators, emphasizing the importance of World Health Day and the need for awareness about health issues. The role play performances were both educational and engaging, with students effectively portraying various health scenarios and providing solutions for common health problems. The poster exhibition showcased the creativity and knowledge of the students, with posters covering a wide range of health topics such as nutrition, mental health, hygiene, and disease prevention. The collaboration with the Rotary Club added value to the event, providing additional resources and support.

8. Outcomes of the Activity Achieved:

- Enhanced awareness about key health issues and the importance of preventive measures.
- Provided a platform for students to showcase their knowledge and creativity through role play and poster presentations.
- Fostered collaboration between the college and the Rotary Club, strengthening community ties.
- Encouraged active participation and engagement of students in health promotion activities.
- Promoted the importance of World Health Day and its relevance to global health issues.

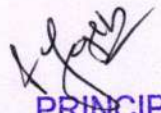

9. Total Attendance: 48 NSS participants.

Report on World AIDS Day Celebration Dated – 05/12/2023

1. Title of the Activity: World AIDS Day Celebration
2. Date: 05/12/2023
3. Venue: MIDC, Nagapur, Ahmednagar (Rally) followed by a guest lecture in the Conference Hall of Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar
4. Organized by: NSS Unit, Medical Surgical Department, and Community Health Nursing Department
5. Description of the Activity: The World AIDS Day celebration was organized to raise awareness about HIV/AIDS and promote understanding and compassion towards those affected by the disease.

The event started with a rally at MIDC, Nagapur, Ahmednagar, where participants marched with banners and posters, spreading messages about HIV prevention, treatment, and the importance of testing. The rally was followed by a guest lecture at the conference hall of Dr. Vithalrao Vikhe

Patil Foundation's College of Nursing. The program was coordinated by Mr. Nitin Nirmal (NSS Unit Head), Mr. Amol Anap (Community Health Nursing Department), and Mr. Nilesh Mhaske (Medical Surgical Nursing Department).

6. Activity Experience: The rally witnessed enthusiastic participation from students, faculty, and local community members, who marched with zeal and determination to spread awareness. The guest lecture in the conference hall featured prominent speakers who discussed various aspects of HIV/AIDS, including prevention strategies, the latest treatment options, and the social stigma associated with the disease.

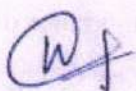

The lecture was highly informative and engaging, providing attendees with valuable insights and practical knowledge. The coordination among the departments and the active involvement of the NSS unit ensured the smooth execution of the event.

7. Outcomes of the Activity Achieved:

- Increased awareness about HIV/AIDS among participants and the local community.
- Promoted empathy and support for individuals living with HIV/AIDS.
- Fostered a sense of community engagement and responsibility among students and faculty.

8. Total Attendance: 41 NSS Volunteers, 56 students from 3rd Year GNM & 72 students from 1st year GNM

Report on School Health Assessment Program

1. Title of the Activity: School Health Assessment Program
2. Date: 15/04/2024
3. Venue: Primary School, Vadgaon Gupta Village
4. Organized by: DVVPF's College of Nursing, Community Health Nursing Department, and NSS Department
5. Description of the Activity:

DVVPF's College of Nursing, Community Health Nursing Department, and NSS Department organized a School Health Assessment Program on 15th April 2024 at the Primary School in Vadgaon Gupta Village.

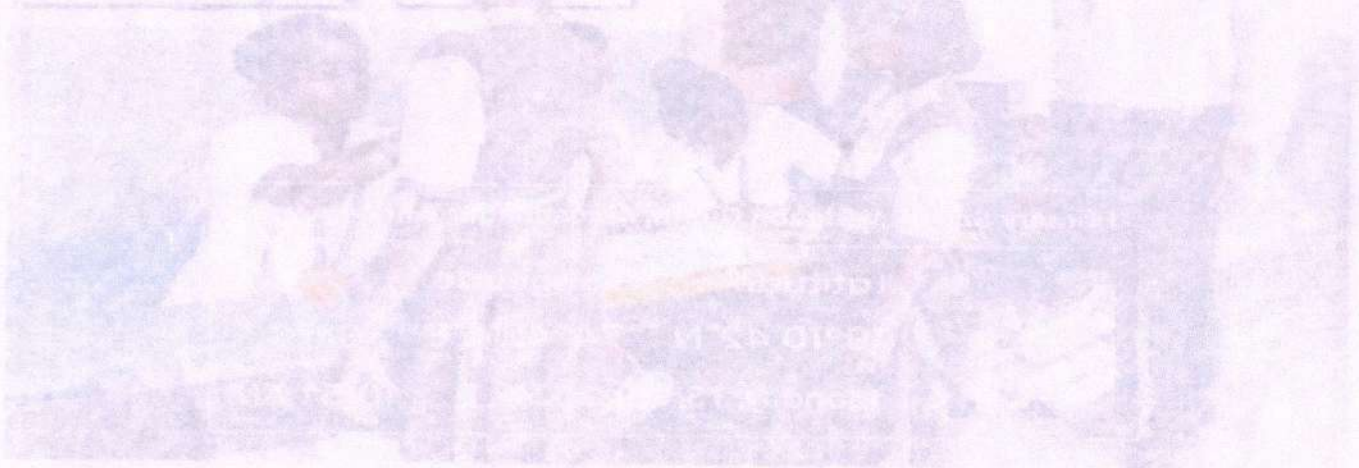

Fourth-year BSc Nursing students actively participated in the program. The health assessment included physical examinations, health education sessions, and the distribution of health information pamphlets. The goal was to evaluate the health status of the school children and provide them with necessary health guidance and support.

6. Feedback of the Activity:

The feedback from both the school staff and the participating students was overwhelmingly positive.

Teachers appreciated the thorough health assessments and the informative sessions conducted by the nursing students. The children were engaged and responsive, showing interest in learning about maintaining good health and hygiene. Parents expressed their gratitude for the initiative, noting the importance of such health programs in rural areas.

7. Outcomes of the Activity Achieved:

- Comprehensive health assessments conducted for all participating school children.
- Increased awareness among children about health and hygiene practices.
- Strengthened ties between the nursing college and the local community.
- Provided practical experience for nursing students in conducting health assessments and educational sessions.
- Identified health issues in children that required further attention and provided referrals as necessary.

STREET PLAY ON PANIC ATTACK AWARENESS

10 JULY 2024

TIME: 10:00 TO 11:00 AM

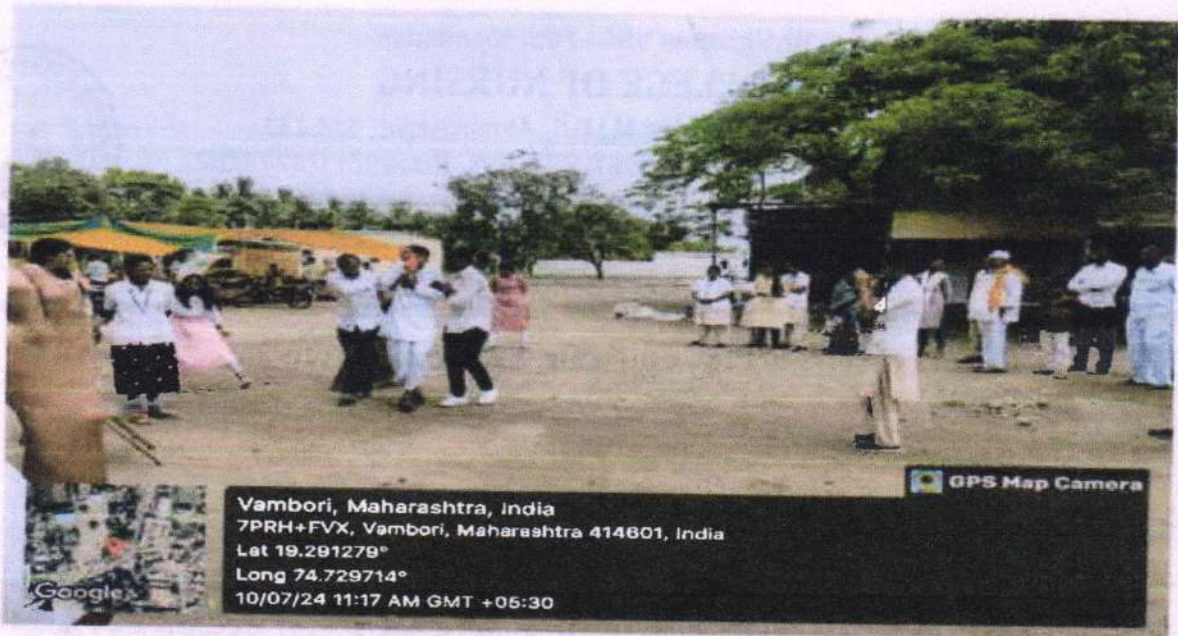

Participants: 3rd year GNM Students.

Venue- Vambori
Village

Organized By,
Mental Health Nursing Department & Community Health Nursing
Department
DR.VITHALRAO VIKHE PATIL FOUNDATION'S
COLLEGE OF NURSING, AHMEDNAGAR

5. Description of the Activity:

On 10th July 2024, the Mental Health Department of Dr. Vithalrao Vikhe Patil Foundation's College of Nursing organized a stress play on panic awareness, performed by 3rd-year GNM students. The event took place in Vambori, Ahmednagar, with the primary aim of raising awareness about panic disorders and stress management techniques.

The play depicted real-life scenarios where individuals experienced panic attacks and showcased how they, along with their families, could manage such situations effectively. The students used the medium of drama to highlight the symptoms of panic attacks, how to offer

support during such crises, and practical steps to manage stress.

The engaging and educative performance effectively communicated the message of mental health awareness to the community. Attendees were able to relate to the situations

presented in the play and gained a better understanding of the importance of mental health care and early intervention in panic disorders.

6. Feedback of the Activity:

The stress play was highly appreciated by the audience for its realistic portrayal and practical insights into panic disorder management. The interactive format allowed for greater community engagement, and participants expressed their gratitude for the opportunity to learn about stress and panic disorders through such a creative medium.

7. Outcomes of the Activity Achieved:

- Increased community awareness of panic disorders and their symptoms.
- Enhanced understanding of how to support individuals during panic attacks.
- Encouraged attendees to seek help for stress-related issues and adopt better coping strategies.
- Promoted the importance of mental health awareness in local communities.

8. Total Attendance: 69 participants from 3rd Year GNM.

Subject: Educational visit to Jankibai Apte Mukbadhir Vidyalaya

Respected sir/madam,

I am writing to seek your permission for an educational visit to your Jankibai Apte Mukhadhir Shala for the 48 students of 3rd year Basic BSc Nursing. Our intention behind this visit is to provide our students with an insightful experience and a deeper understanding of the remarkable work being done at your institution.

We believe that exposing our students to the unique learning environment and compassionate care provided at Jankibai Apte Mukhadhir Shala will inspire them to become more empathetic and socially responsible individuals.

We propose to conduct the visit on 24/08/2023... Our faculty members will accompany the students to ensure their safety and to facilitate a smooth interaction with the staff and students of your institution. We are committed to adhering to any guidelines you may have for such visits.

Your kind consideration of this request is highly appreciated.

REPORT ON VISIT TO JANKIBAI APTE DEAF AND DUMB SCHOOL

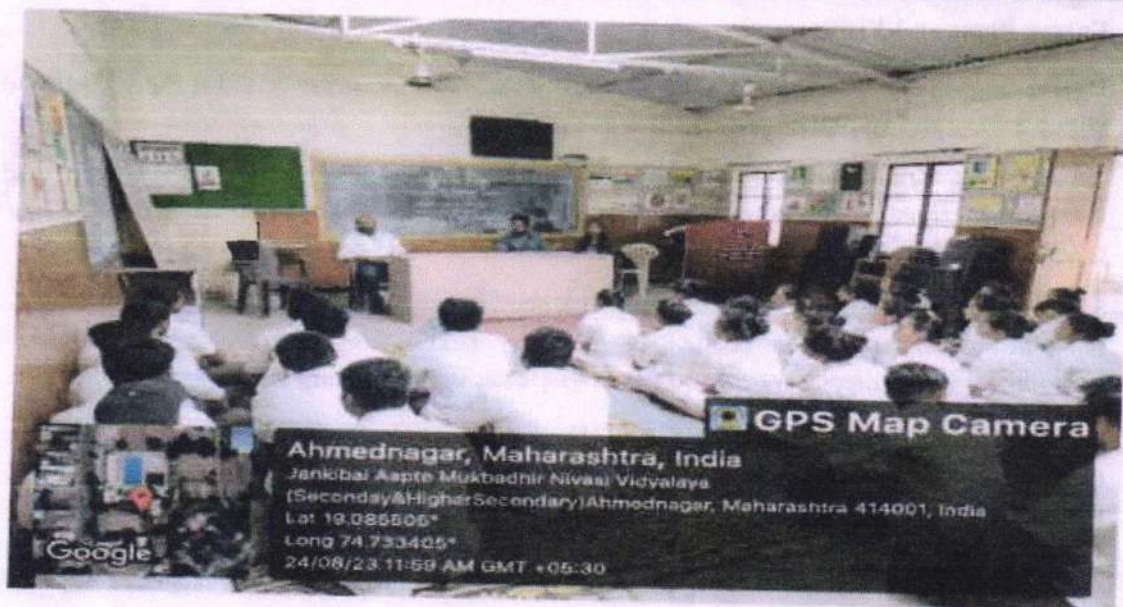

Date of Visit: 24th August 2023

Class: Third Year B.BSc Nursing.

Venue: Jankibai Apte Deaf and Dumb School, Nalegaon, Ahmednagar.

Introduction:

On the 24th of August 2023, I had the opportunity to visit the Jankibai Apte Deaf and Dumb School located on Nalegaon Road in Ahmednagar. The visit aimed to gain insights into the school's operations, its facilities, and its commitment to providing quality education and support to hearing-impaired and speech-impaired students.

Key Personnel Present:

Head Master: Mr. Vikram Arote

Observations and Highlights: Upon arrival at the Jankibai Apte Deaf and Dumb School, several key observations were made:

1. **Dedicated Staff:** The school staff, led by Mr. Vikram Arote, demonstrated a high level of dedication and empathy towards the students. Their commitment to the welfare and education of hearing-impaired and speech-impaired students was evident.
2. **Inclusive Learning Environment:** The school's premises were designed to accommodate the specific needs of deaf and dumb students. Visual aids, sign language posters, and other tools were used to create an inclusive and effective learning environment.
3. **Specialized Teaching Methods:** The teaching methods employed by the school were tailored to cater to the unique communication challenges faced by the students. Sign language was seamlessly integrated into the curriculum, allowing students to engage actively in the learning process.
4. **Communication Facilities:** The school was equipped with various aids to facilitate communication. Classrooms were equipped with visual aids, projectors, and interactive tools that supported effective teaching and learning.
5. **Skill Development:** The curriculum was designed not only to impart academic knowledge but also to focus on skill development. Practical life skills were integrated into the educational program to empower students for independent living.
6. **Extra-Curricular Activities:** The school emphasized a holistic approach to education. Various extra-curricular activities, such as art, sports, and cultural events, were organized to promote students' overall growth and confidence.
7. **Parental Involvement:** The school recognized the importance of involving parents in their child's education journey. Regular parent-teacher meetings were conducted to discuss progress, address concerns, and foster collaboration.

Future Plans and Vision:

During interactions with Mr. Vikram Arote, it was evident that the Jankibai Apte Deaf and Dumb School has ambitious plans for the future:

2. **Vocational Training:** To equip students with practical skills that will help them lead independent lives, the school intends to introduce vocational training programs. These programs would prepare students for various professions and life roles.
3. **Community Outreach:** The school envisions actively engaging with the local community to raise awareness about the challenges faced by hearing-impaired and speech-impaired individuals. This outreach would contribute to greater understanding and support.

Conclusion: The visit to Jankibai Apte Deaf and Dumb School was a truly enriching experience. Witnessing the dedication of Mr. Vikram Arote and the staff, along with the school's tailored approach to education, highlighted the importance of providing specialized support to students with communication challenges. The school's vision for the future reflects a commitment to making a positive impact on the lives of hearing-impaired and speech-impaired individuals in the region.

EDUCATIONAL VISIT REPORT

ON

MATIMAND VIKAS SHIKSHAN MANDAL'S MATIMAND MULANCHI SHALA

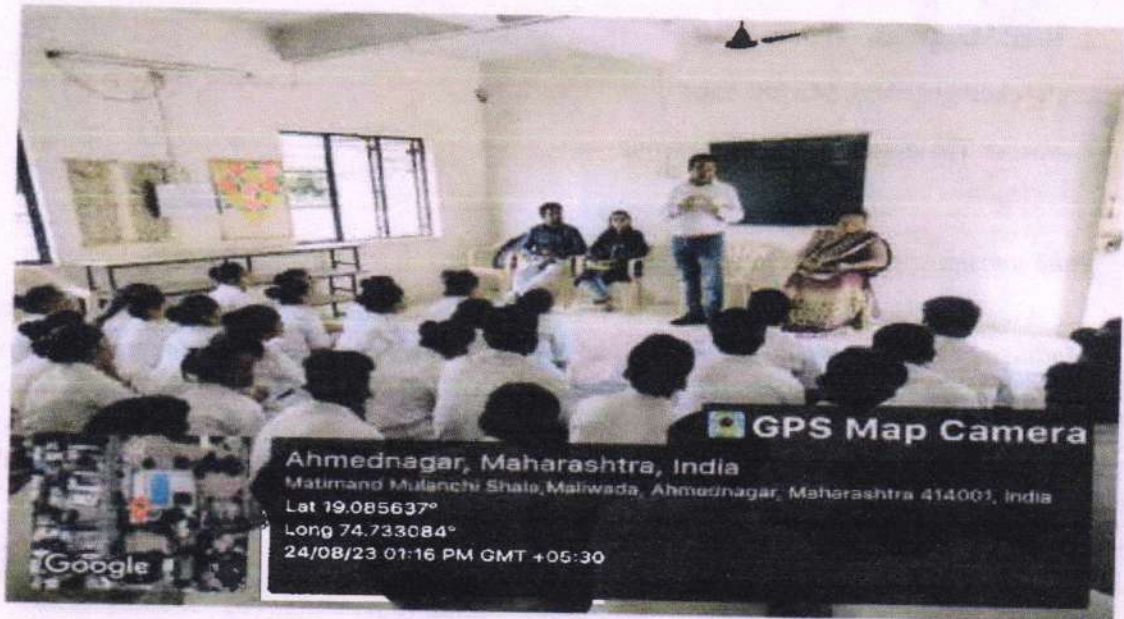

Date of Visit: 24/08/2023.

Class: Third Year B.BSc Nursing.

Venue: Matimand Vikas Shikshan Mandal's Matimand Mulanchi Shala, Nalegaon, Ahmednagar.

Introduction:

We had the privilege to visit Matimand Vikas Shikshan Mandal's Matimand Mulanchi Shala. The school, established on 2nd January 1978 and granted by the government, is dedicated to providing education and support to mentally retarded children aged between 6 to 14 years. The visit provided an insightful understanding of the institution's goals, facilities, and the services they offer.

Key Personnel Present:

1. Head Master: Mr. Yogesh Alhat
2. Psychologist: Mrs. Madhvi Kute
3. Speech Therapist: Mr. Vikram Munde

Information about the School:

Mr. Yogesh Alhat, the Head Master of the school, provided a comprehensive overview of Matimand Mulanchi Shala. He highlighted the institution's commitment to providing quality education and training to mentally retarded children. The school follows specific admission criteria, including the submission of an IQ report, medical certificate from a civil surgeon, and other documents. The school's establishment was a response to the need for specialized education for mentally challenged children.

Features of the School:

During the visit, we observed the following noteworthy features of the school:

1. Ample open space and a playground that surrounds the school, providing students with outdoor recreational opportunities.
2. Spacious classrooms designed to accommodate the unique needs of mentally challenged students.
3. Well-trained teaching staff dedicated to the students' holistic development.
4. Collaboration with renowned medical officers to ensure proper guidance and support for the students.

5. Facilities for IQ testing to understand the students' cognitive abilities.
6. Provision of speech therapy to help students improve their communication skills.
7. Availability of physiotherapy services to address physical challenges.
8. Advanced educational and sports equipment that cater to the diverse needs of the students.
9. Workshop training center to provide students with practical skills and vocational training.
10. Parent-Teacher Guidance Centre to facilitate effective communication between parents and teachers.
11. A well-stocked library to promote reading and learning among students.

Aims of the Institution:

The school's primary objectives include:

1. Providing instruction and training to mentally retarded children, fostering their cognitive and personal growth.
2. Offering pre-vocational and vocational training to enable students to become self-reliant.
3. Future plans include establishing a residential centre for students, creating an environment conducive to their development.

Future Plans of the Institution:

Matimand Mulanchi Shala envisions expanding its services further:

1. Launching an agricultural project to engage mentally retarded children in meaningful activities.
2. Establishing a medical treatment centre to offer comprehensive therapies and training.
3. Extending the scope of the workshop to provide diverse skill development opportunities.

In conclusion, visit to Matimand Vikas Shikshan Mandal's Matimand Mulanchi Shala was enlightening. The school's dedication to the education and empowerment of mentally retarded children is evident in its facilities, services, and future plans. The commitment of Mr. Yogesh Alhat, Mrs. Madhvi Kute, Mr. Vikram Munde, and the entire staff is truly commendable.

Event Report: Stress Management Webinar

Date: 18/04/2024

Time: 11:00 am to 12:00 pm

Venue: Dr. V. V. P. F's College of Nursing Auditorium Hall via Zoom App

Resource Person: Dr. Swati Vanjari, Consultant Psychiatrist, Civil Hospital Nashik.

Participants: 2nd-year PB BSc Nursing, 2nd-year MSc Nursing, and 2nd-year GNM Nursing students

Overview:

The Stress Management Seminar held on 18th April 2024 via Zoom at Dr. V. V. P. F's College of Nursing provided valuable insights and strategies for coping with stress, a critical aspect of healthcare professionals' well-being.

GUEST LECTURE ON STRESS MANAGEMENT

18 APRIL 2024

TIME: 11:00 TO 12:00 PM

RESOURCE PERSON-
DR. SWATI CHAVHAN / VANJARI
[CONSULTANT PSYCHIATRIST, CIVIL
HOSPITAL NASHIK.]

Participants: 2nd year PBB.Sc, 2nd Year
GNM & 2nd Year M.sc Nursing
Students.

Venue- Online
Zoom Platform

Organized by,
Mental Health Nursing Department & IQAC
DR.VITHALRAO VIKHE PATIL FOUNDATION'S
COLLEGE OF NURSING, AHMEDNAGAR

Key Highlights:

The Stress Management Seminar led by Dr. Swati Vanjari was a comprehensive exploration of stress and its implications for mental health.

Dr. Vanjari's expertise as a Consultant Psychiatrist from Civil Hospital Nashik brought invaluable insights into different stress types, their triggers, and the psychological impact on individuals, especially healthcare professionals. Through interactive discussions, participants gained a deeper understanding of stressors prevalent in their roles and learned practical coping strategies tailored to their specific needs. Dr. Vanjari emphasized the importance of self-care practices, such as mindfulness techniques, relaxation exercises, and healthy lifestyle habits, in mitigating stress and enhancing overall well-being. The session also focused on building professional resilience, equipping participants with tools to manage high-pressure situations effectively and maintain a healthy work-life balance. Attendees left the seminar with renewed confidence and a personalized stress management plan, ready to apply these newfound strategies in their daily lives for improved mental health and job satisfaction.

Participant Feedback:

Participants appreciated the session's relevance and practicality in addressing stress-related challenges in their academic and professional lives. Dr. Vanjari's insights resonated with attendees, empowering them with valuable tools to enhance their mental well-being and

resilience. The participants were from Second Year GNM - 66, Second Year P.B.BSc - 28 and from Second Year Basic M.Sc. Nursing - 23. The total attendance was 117.

Conclusion:

Mr. Swapnil Mhaske extended heartfelt gratitude to Dr. Swati Vanjari for her enlightening session and thanked all participants for their active engagement. Mr. Stephen Bhambal & Ms Pallavi Kharade gave their contribution in the physical arrangement. The seminar concluded with a renewed focus on stress management and mental well-being, fostering a supportive and resilient nursing community at Dr. V. V. P. F's College of Nursing.

DAY

NAAC

The awareness program on understanding Down Syndrome unfolded on 21st March 2024 at Vadgaon Gupta Sub-center, Ahmednagar. Mr. Amit Kadu, Associate Professor at Dr. Vithalrao Vikhe Patil Foundations College of Nursing, commenced the event with an enlightening introduction, setting the stage for a profound exploration of the topic. Mr. Nitin Nirmal, Assistant Professor at Dr. Vithalrao Vikhe Patil Foundations College of Nursing, dived deep into the complexities of Down Syndrome, unraveling its multifaceted nature and dispelling prevalent myths. With a blend of scholarly expertise and compassionate communication, Mr. Nirmal engaged the audience in a thought-provoking dialogue, emphasizing the importance of embracing diversity and promoting inclusivity within healthcare and society at large. Joined by Mr. Stephen Bhambal, Clinical Instructor, and Ms. Pallavi Kharade, Assistant Professor, the lecture team fostered an enriching environment conducive to learning and reflection.

REPORT ON GUEST LECTURE

"PROMOTING THE TRUTH AND BENEFITS OF HYPNOTISM"

On the occasion of World Hypnotism Day, a thought-provoking guest lecture on the theme **"Promoting The Truth And Benefits of Hypnotism"** was organized at the Seminar Hall of Dr. Vithalrao Vikhe Patil Foundations College of Nursing, Ahmednagar on 4th January 2024 between 4:00 PM to 5:00 PM. The distinguished speaker for the event was Dr. Tagad from Dr. Vithalrao Vikhe Patil Foundations Memorial Hospital.

Dr. Tagad Sir, Psychiatrist, Dr. V.V.P.F.'s Memorial Hospital, A' Nagar while delivering the lecture and answering the question of Ms. Vaidehi Potdar, 2nd Year G.N.M student, Dr. V.V.P.F.'s CON, A' Nagar on 04/01/2024

Ms. Pallavi Kharade, Assistant Professor at Dr. Vithalrao Vikhe Patil Foundations College of Nursing, had the honor of introducing Dr. Tagad to the audience. She highlighted his expertise and accomplishments in the field of hypnotism, setting the stage for an enriching learning experience.

The theme of the lecture revolved around promoting the truth and highlighting the various benefits of hypnotism. Dr. Tagad, being an expert in the field, shared valuable insights and knowledge about the positive aspects of hypnotism, aiming to dispel misconceptions surrounding this intriguing practice.

The seminar hall, filled with eager nursing students of total 50 from 1st semester B.BSc nursing & 25 students from 2nd Year G.N.M and faculty members, provided an apt setting for the informative discourse. The event commenced at 4 pm and continued until 5 pm, engaging the audience in an enlightening session on the applications and advantages of hypnotism in the medical field.

Conclusion:

Dr. Tagad's lecture not only educated the attendees about the merits of hypnotism but also fostered a greater understanding of its potential in various healthcare contexts. The World Hypnotism Day celebration proved to be an intellectually stimulating event, contributing to the academic and professional growth of the nursing community at Dr. Vithalrao Vikhe Patil Foundations College.

Name of Activity: Health Education Skit at Zila Parishad Primary and Secondary School at Vadgaon Gupta, on the occasion of "National Girl Child Day"

Organized By: Dept. of Child Health Nursing

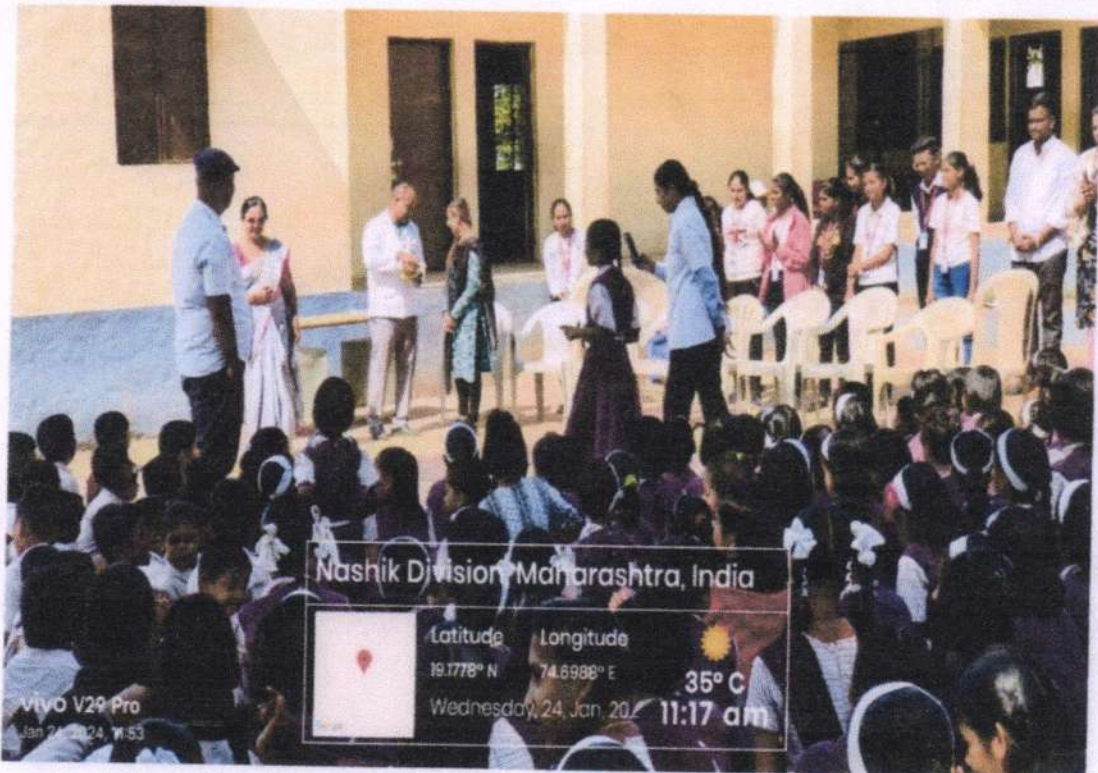

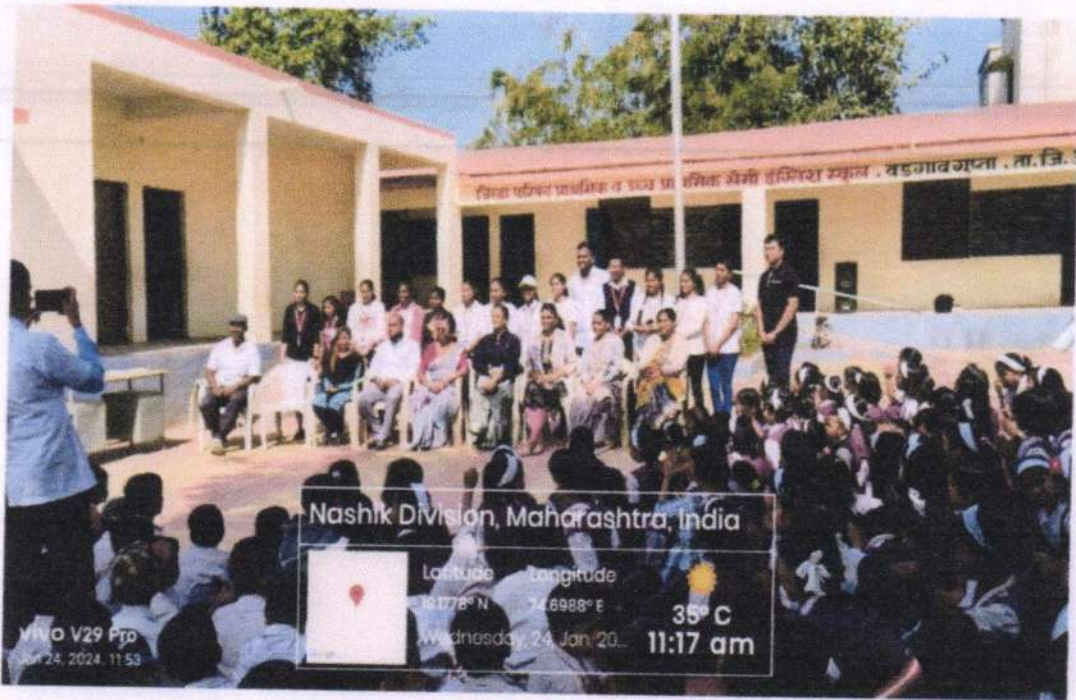

Programme Coordinator: Mr. Manish N Tadke (Assistant Professor) Child Health Nursing)

Description of the Activity:

On January 24th, 2024, the Department of Child Health Nursing at Dr. V.V.P.F.'s College of Nursing conducted a Health Education skit at Zila Parishad Primary and Secondary School at Vadgaon Gupta. The skit was organized for school children to commemorate "National Girl Child Day." The school children were educated on "Good Touch and Bad Touch" through the skit. 155 school children from first to seventh standards were addressed. The skit was performed by 20 nursing students of Second year GNM of Dr. V.V.P.F.'s College of Nursing. The skit elicited excellent feedback from the school children. The teachers praised our nursing students' efforts to educate the school children about "Good Touch and Bad Touch". Mrs. Wincy M Wilson and Mr. Manish Tadke, Assistant Professor, assisted the nursing students through this task. Ms. Salome Teldhune, HOD, Department of Child Health Nursing provided her valuable guidance to carry out this activity.

Guest Lecture On Let's Erase The Stigma

Date: February 16, 2024

Time: 12:00 PM – 1:00 PM

Venue: Nursing Seminar Hall, Dr. Vithalrao Vikhe Patil Foundations College of Nursing, Ahmednagar

Speaker: Mr. Narayan Ghorpade, Associate Professor, Bharti Vidyapeeth (Deemed to be University), Wanlesswadi Sangli

Introduction:

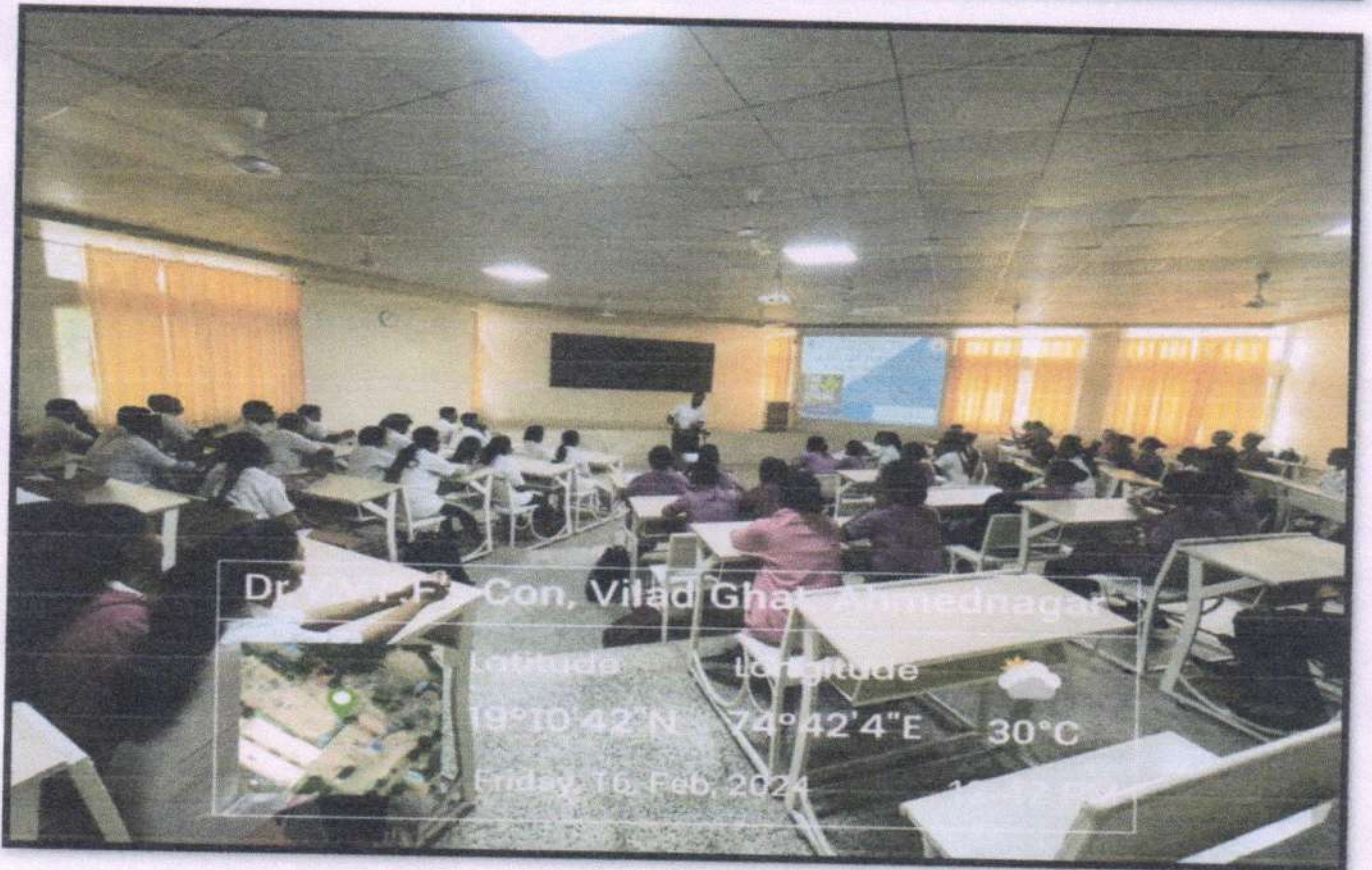

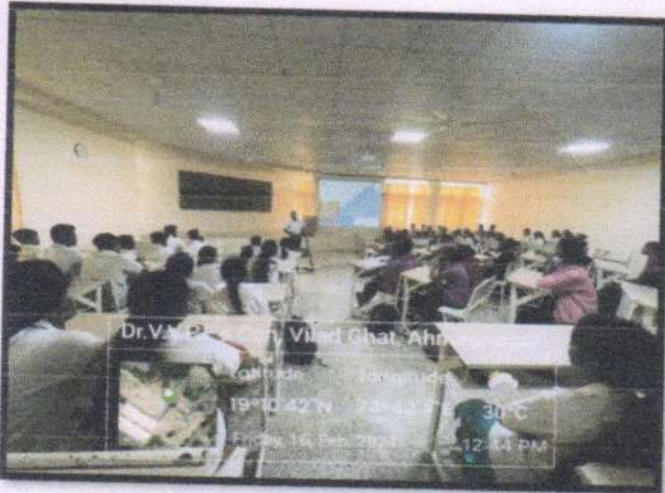

On February 16, 2024, Dr. Vithalrao Vikhe Patil Foundations College of Nursing hosted a captivating guest lecture titled "Let's Erase The Stigma" for 2nd Semester & 2nd Year G.N.M nursing students. Mr. Narayan Ghorpade, a renowned Associate Professor of Mental Health Nursing from Bharti Vidyapeeth (Deemed to be University), graced the event as the esteemed speaker. The lecture sparked critical discussions about the prevailing stigma surrounding mental health issues and its detrimental impact on individuals and society.

Keynote Address:

Mr. Ghorpade embarked on a journey of awareness, shedding light on the complex layers of stigma associated with mental illness. He provided insightful perspectives on:

- **The social and cultural factors that contribute to stigma:** Examining how societal biases, misinformation, and negative portrayals in media perpetuate societal misconceptions about mental health.
- **The impact of stigma on individuals:** Highlighting the detrimental effects of stigma on individuals seeking treatment, including feelings of shame, isolation, and discrimination, which often worsen their condition.

Some Glimpses:

- **Strategies for combating stigma:** Offering practical approaches to challenge preconceived notions, advocating for inclusivity and compassion, and fostering open conversations about mental health.

His engaging presentation, coupled with his expertise and passion for mental health advocacy, resonated deeply with the audience.

Vote of Thanks:

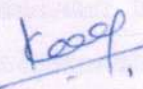

The event concluded with a heartfelt vote of thanks delivered by Mr. Stephen Bhambal. He expressed gratitude to Mr. Ghorpade for his enriching lecture and emphasized the importance of continuing the fight against stigma and creating a more supportive environment for those struggling with mental health challenges.

Conclusion:

This guest lecture served as a catalyst for positive change, igniting a spark of awareness and commitment within the student body. The insights gleaned from Mr. Ghorpade's expertise will undoubtedly empower future nurses to champion inclusivity, understanding, and compassionate care for individuals experiencing mental health difficulties.

LETTER SEEKING PERMISSION TO CONDUCT RESEARCH STUDY

To,
THE MEDICAL SUPERINTENDENT
DR. V.V.P. MEMORIAL HOSPITAL
VILAD GHAT, A. NAGAR
.....
.....

Sub: Seeking permission to conduct research study in selected Hospital

Respected Sir/ Madam,

This is to introduce Miss. Asmita Subhash Jadhav, 2nd year M.Sc. Nursing student of Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar affiliated to Maharashtra University of Health Sciences, Nashik with a specialization in Obstetric and Gynecological Nursing.

For the partial fulfillment of award of M. Sc. Nursing degree, she has to conduct a research study on a topic "Effectiveness of self instructional module on knowledge regarding childbearing process among primigravida women attending antenatal OPD in selected hospital."

Hence, I request you to kindly grant permission for conducting research study in Selected Hospital. Further I humbly state that all information shall be obtained from women with an assurance of anonymity and confidentiality.

In anticipation of a positive response.

Thanking you,

Permitted after

LETTER SEEKING PERMISSION TO PILOT STUDY

To,

THE METRON
BDCD HOSPITAL
AHMEDNAGAR

Sub: Seeking permission to conduct Pilot study in selected Hospital

Respected Sir/ Madam,

This is to introduce Miss. Asmita Subhash Jadhav, 2nd year M.Sc. Nursing student of Dr. Vithalrao Vikhe Patil Foundation's College of Nursing, Ahmednagar affiliated to Maharashtra University of Health Sciences, Nashik with a specialization in Obstetric and Gynecological Nursing.

For the partial fulfillment of award of M. Sc. Nursing degree, she has to conduct a research study on a topic "Effectiveness of self instructional module on knowledge regarding childbearing process among primigravida women attending antenatal OPD in selected hospital."

Hence, I request you to kindly grant permission for conducting pilot study in selected Hospital. Further I humbly state that all information shall be obtained from women with an assurance of anonymity and confidentiality.

In anticipation of a positive response.

Thanking you,
