- Describe causes of bed sore. Name the pressure points. How will you prevent bed sore in a bed ridden client?
  - Define pyrexia. Explain types of pyrexia. Write the Nursing care of patient with pyrexia.

**SECTION - B (35 Marks)**

3. Short answer question (**any four** out of five) : [4×5=20]
- Indication of Nasogastric tube feeding.
  - Management of a client with pain.
  - Maslow's hierarchy of Needs.
  - Types of beds.
  - Standard Safety precautions. (Universal Precautions).
4. Long answer question (**any one** out of two) : [1×15=15]
- Define Nursing process. List down any five Nursing Diagnosis. Write down the steps of Nursing process.
  - List various routes of administration of medication. Enlist the rights of administration of medication. Write down the Nurses responsibilities while administering medication.

**First Basic B.Sc. Nursing Examination, Phase - II Summer - 2022**  
**NURSING FOUNDATION**

Total Duration : Section A + B = 3 Hours

Total Marks : 75

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All questions are compulsory.**
  - 4) The number to the **right** indicates **full marks**.
  - 5) Draw diagrams **wherever** necessary.
  - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
  - 7) Use a common answerbook for all sections.

**SECTION "A" (40 Marks)**

1. Short answer question (**any five** out of six) : [5 × 5 = 25]
  - a) Impact of illness on patient and family.
  - b) Care of rubber articles.
  - c) Levels of critical thinking.
  - d) Importance of documentation and reporting.
  - e) Health promotion model.
  - f) Nosocomial infection.
  
2. Long answer question (**any one** out of two) : [1 × 15 = 15]
  - a)
    - i) Write the various routes of drug administration. [5]
    - ii) Describe the factors influencing action of drugs. [5]
    - iii) Nurses role in storage and maintenance of drugs. [5]

62503

- b) i) Give the meaning of pressure sores. Enlist its causes. [5]
- ii) Describe the nursing measures to prevent pressure sores. [5]
- iii) Write a brief note on strokes used in back care. [5]

**SECTION "B" (35 Marks)**

3. Short answer question (**any four** out of five) : [4 × 5 = 20]
- a) Barriers of communication.
  - b) Principles of bandaging.
  - c) Signs of clinical death.
  - d) Qualities of a professional nurse.
  - e) Methods of physical examination.
4. Long answer question (**any one** out of two) : [1 × 15 = 15]
- a) Discuss the factors affecting bowel elimination. [5]  
What are the alterations in bowel elimination. [5]  
Write the principles of giving evacuant enema. [5]
  - b) Patient is admitted with breathlessness.
    - i) Explain the nurses responsibility in oxygen administration. [5]
    - ii) Write the methods of oxygen inhalation. [5]
    - iii) Describe nursing management of patient with dyspnoea. [5]

**First Basic B.Sc. Nursing Examination, (Phase - III) Winter - 2021**  
**NURSING FOUNDATION**

Total Duration : 3 Hours

Total Marks : 75

- Instructions :**
- 1) Use blue/black ball point pen only.
  - 2) **Do not write anything on the blank portion of the question paper.** If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All questions are compulsory.**

  - 5) Draw diagrams **wherever necessary.**
  - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
  - 7) Use a common answerbook for **all sections.**

**SECTION - A (40 Marks)**

1. Short answer question (any five out of six) : [5 × 5 = 25]
- a) Health illness continuum.
  - b) Professional conduct for nurses.
  - c) Types of discharges.
  - d) Postural drainage.
  - e) Nosocomial infection.
  - f) Principles of administration of oral medication.

62503

2. Long answer question (any one out of two) : [1 × 15 = 15]
- a) i) Define nursing process [2]
  - ii) Explain steps of nursing process [6]
  - iii) Prepare nursing careplan with two priority nursing diagnosis for the patient with abdominal pain and vomiting [7]
  - b) i) Define communication [2]
  - ii) Explain types and modes of communication [6]
  - iii) Describe communication process [7]

**SECTION - B (35 Marks)**

3. Short answer question (any four out of five) : [4 × 5 = 20]
- a) Factors affecting sleep.
  - b) Health belief model.
  - c) Factors affecting blood pressure.
  - d) Maslow's hierarchy needs.
  - e) Principles of body mechanics.
4. Long answer question (any one out of two) : [1 × 15 = 15]
- a) i) Explain purposes of physical examination. [5]
  - ii) Describe methods of physical examination. [10]
  - b) i) Describe asepsis & its types. [5]
  - ii) Explain how to control infection in clinical setting. [10]

**First BASIC B.Sc. (Nursing) Examination, Summer - 2021**  
**NURSING FOUNDATION**

Total Duration : Section A + B = 3 Hours

Total Marks : 75

**Section - A & Section - B**

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.

**First Basic B.Sc. Nursing Examination, Winter 2016  
NURSING FOUNDATION**

Total Duration : Section A + B = 3 Hours

Total Marks : 75

**SECTION – A and SECTION – B**

- Instructions :**
- 1) Use **blue/black** ball point pen only.
  - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
  - 3) **All** questions are **compulsory**.
  - 4) The number to the **right** indicates **full** marks.
  - 5) Draw diagrams **wherever** necessary.
  - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
  - 7) Use a common answer book for **all** Sections.

**SECTION – "A" (40 Marks)**

1. Short answer question (**any five** out of six) : (5×5=25)
  - a) Characteristics of profession.
  - b) Hazards associated with immobility.
  - c) Methods of Physical Examination.
  - d) Care of terminally ill client.
  - e) Factors affecting pain and pain assessment.
  - f) Stages of Grieving process.
  
2. Long answer question (**any one** out of two) : (1×15=15)
  - a) Define communication and explain the process of communication. Discuss the barriers to effective communication. Discuss role of nurse in maintaining effective communication with patient.
  - b) Explain the steps of nursing process. Discuss the sources of data in assessment phase. Discuss the skills required by a nurse in implementation phase.

P.T.O.

## SECTION – "B" (35 Marks)

3. Short answer question (**any four** out of five) : (4×5=20)
- a) Types and functions of hospital.
  - b) Purposes of recording and reporting.
  - c) Maslow's hierarchy of needs.
  - d) Factors influencing health.
  - e) Effects of drug on body.
4. Long answer question (**any one** out of two) : (1×15=15)
- a) Discuss different factors affecting rest and sleep. Discuss role of nurse in providing safe and clean environment to the patient.
  - b) Define the term nosocomial infection and explain the chain of infection transmission. Discuss in detail the role of nurse in infection control.
