

Third Basic B.Sc. Nursing (Old)/(2019) Examination, Winter - 2022
MEDICAL SURGICAL NURSING - II

Total Duration : 3 Hours

Total Marks : 75

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All** questions are **compulsory**.
 - 4) The number to the **right** indicates **full** marks.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) **Use** a common answerbook for **all** sections.

SECTION - A (40 Marks)

1. Short answer question (Solve **any 5** out of 6) : **[5×5=25]**
- a) Causes of ototoxicity and its prevention.
 - b) List down occupational lung diseases and explain its prevention.
 - c) Management of dementia in older adult.
 - d) Ovarian cyst.
 - e) Guillan-Barr's syndrome.
 - f) Complications of burn injury and its prevention.

2. Long answer question (Solve **any 1** out of 2) : [1×15=15]

- a) i) Explain the etiology and risk factors of respiratory arrest.
 ii) Explain different complications of patient on mechanical ventilator.
 iii) List down the nursing diagnosis of patient on mechanical ventilator and plan nursing intervention for any three priority nursing diagnosis.
- b) i) Explain the etiology of oral cancer.
 ii) List down common manifestation of oral cancer.
 iii) Explain the role of chemotherapy in treating cancer and write in detail the nursing management while administering chemotherapy.

SECTION - B (35 Marks)

3. Short answer question (Solve **any 4** out of 5) : [4×5=20]

- a) Explain about triage in disaster management.
 b) Legal and ethical aspect in critical care unit.
 c) Post operative nursing management of patient with deviated nasal septum.
 d) Explain the dietary management of patient with cancer.
 e) Classification of burn injury depth.

- a) i) Explain the mechanism of spinal cord injury.
 ii) Define quadriplegia and paraplegia and how will you assess patient on admission?
 iii) Plan rehabilitation and home care for patient with spinal cord injury.
- b) i) List down different eye injury along with its etiology.
 ii) Explain clinical manifestation of retinal detachment.
 iii) Explain the surgical and nursing management of patient with retinal detachment.

**Third Basic B.Sc. (Nursing) Examination, Phase - II
Summer - 2022**

MEDICAL SURGICAL NURSING (II)

(W.e.f.A.Y. (2018-19) & 2019-20 Admitted Batch)

Total Duration : 3 Hours

Total Marks : 75

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All questions are compulsory.**
 - 4) The number to the **right** indicates **full marks**.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all sections.

SECTION "A" (40 Marks)

1. Short answer questions (Solve any 5 out of 6) : [5 × 5 = 25]
 - a) Complications of radiation therapy and its management.
 - b) Retinal detachment.
 - c) Rehabilitation of patient with paraplegia.
 - d) Role of nurse in disaster management.
 - e) Physical assessment of patient with ear disorders.
 - f) Endometriosis.

2. Long answer questions (Solve any 1 out of 2) : [1 × 15 = 15]
 - a)
 - i) Explain the TNM classification of bladder neoplasm.
 - ii) Describe treatment modalities of patient with bladder neoplasm.
 - iii) Plan post operative nursing intervention for patient with urinary diversion.

- b) i) Define meningitis and explain its etiology and risk factors.
 ii) What do you mean by positive brudzinkin's sign and kernig's sign?
 iii) Explain medical management of patient with meningitis and how will you provide nursing care to patient with increased ICP?

SECTION "B" (35 Marks)

3. Short answer questions (Solve any 4 out of 5) : [4 × 5 = 20]

- a) Bone marrow transplant.
- b) Otosclerosis.
- c) Health promotion of industrial workers.
- d) Medical and surgical management of glaucoma.
- e) Legal and ethical issues in elderly.

4. Long answer questions (Solve any 1 out of 2) : [1 × 15 = 15]

- a) i) Plan physical setup of critical care unit.
 ii) List down different emergencies in CCU and explain about primary and secondary survey during emergency.
 iii) How will you manage a patient who is in cardiac arrest?
- b) i) Explain the effect of inhalation burn injury.
 ii) Explain the pathophysiology and sign and symptoms of burn.
 iii) Explain the role of nurse to prevent and control post burn contracture and scarring.

Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all sections.

SECTION - A (40 Marks)

1. Short answer question (any five out of six): [5 × 5 = 25]
- a) List the common health problems of an elderly patients.
 - b) Discuss the steps in cardio-pulmonary resuscitation intervention.
 - c) Principles of critical care nursing.
 - d) Etiology and risk factors of otalgia.
 - e) Add note on infection control team.
 - f) Colostomy care.

**Third Basic B.Sc. NURSING
Examination, Summer - 2021
MEDICAL SURGICAL NURSING-II**

Total Duration : Section A+B = 3 Hours

Total Marks : 75

SECTION-A & SECTION-B

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All** questions are **compulsory**.
 - 4) The number to the **right** indicates **full** marks.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) **Use** a common answerbook for **all** sections.

SECTION-A (40 Marks)

1. Short answer question (**any five** out of six) : **[5 × 5 = 25]**
- a) Meniere's disease.
 - b) Ocular emergencies and their prevention.
 - c) Role of the nurse in communication with patient having neurological deficit.
 - d) Nursing management of unconscious patient.
 - e) Geriatric nursing.
 - f) Toxic shock Syndrome.

2. Long answer question (**any one** out of two): [1 × 15 = 15]
- a) Mr.X 30 years old admitted in Neuro ICU with the history of bike accident, diagnosed as a Head injury.
 Answer the following
 Define Head injury
 Write the pathophysiology of head injury.
 Write the nursing and surgical management of head injury.
- b) Define disaster & list the types of disaster.
 What is disaster preparedness.
 Write down the nurses role in disaster management.

SECTION-B (35 Marks)

3. Short answer question (**any four** out of five): [4 × 5 = 20]
- a) Nursing management of critically ill patient.
 b) Pathophysiology of Burns.
 c) Chronic Suppurative otitis media.
 d) Role of nurse in care of plastic surgery patient.
 e) Aging process.
4. Long answer question (**any one** out of two): [1 × 15 = 15]
- a) Enumerate causes of carcinoma larynx.
 Describe clinical features of carcinoma larynx.
 Enlist the nursing diagnosis and write nursing care plan for any two nursing diagnosis for a client who has undergone laryngectomy with tracheostomy.
- b) Define Glaucoma.
 Write the sign and symptoms of Glaucoma.
 Write in detail medical and nursing and surgical management of Glaucoma.

 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all sections.

SECTION - A (40 Marks)

1. Short answer question (any five out of six) : [5 × 5 = 25]
 - a) Deviated nasal septum.
 - b) Describe briefly about stress management in elderly.
 - c) Discuss briefly about prevention of deafness.
 - d) Discuss the principles of disaster nursing.
 - e) Heat stroke and its management.
 - f) Discuss briefly about contraception.

2. Long answer question (any one out of two) : [1 × 15 = 15]
 - a) 1. Define cerebrovascular accident. [2]
 2. Enlist the causes and risk factors of CVA. [5]
 3. List four nursing diagnoses for CVA based on priority and write the nursing intervention using the nursing process. [8]

62701

- b) 1. Define critical care unit. [2]
2. Write the principles of critical care unit. [5]
3. Discuss the nursing management of critically ill patient. [8]

SECTION - B (35 Marks)

3. Short answer question (any four out of five) : [4 × 5 = 20]
- a) Prevention of blindness.
 - b) Brain abscess.
 - c) Role of nurse in prevention of occupational disorders.
 - d) Breast self examination.
 - e) Care of patient on mechanical ventilation.
4. Long answer question (any one out of two) : [1 × 15 = 15]
- a) 1. Define burns. [1]
2. Enlist the classifications of burns. [5]
3. List four nursing diagnoses of burns based on priority and write the nursing intervention using the nursing process. [9]
 - b) 1. Describe briefly on characteristics of cancer cell. [3]
2. Discuss prevention of cancer. [5]
3. Write briefly on the nursing management of patient receiving chemotherapy. [7]

Third Basic B.Sc. Nursing Examination, Summer
(Phase - III : All Other Remaining UG/PG Courses) - 2020
MEDICAL SURGICAL NURSING - II

Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.**
 - 7) **Use a common answer book for all sections.**

SECTION - A (40 Marks)

1. Short answer question (**any five** out of six) : **[5×5=25]**
 - a) TNM classification.
 - b) Nursing care of client with cataract surgery.
 - c) Glasgow coma scale.
 - d) Breast self examination.
 - e) Tracheostomy care
 - f) Explain methods of contraception.

2. Long answer question (**any one** out of two): **[1×15=15]**
 - a) Mrs.Y 54 years old female admitted in the burn ward with 80% burns. Answer the following questions.
Classification of burns.
Write down immediate nursing management with two priority nursing diagnosis for this case.

62701

- b) Define disaster.
Describe the causes and types of disaster.
Explain the disaster management cycle.

SECTION - B (35 Marks)

3. Short answer question (**any four** out of five): [4×5=20]
- a) Nursing management of client with organophosphorous poisoning.
 - b) Explain the common health problems in elderly people.
 - c) Cardiopulmonary resuscitation.
 - d) Nursing care of client on ventilatory support
 - e) Chemotherapy
4. Long answer question (**any one** out of two): [1×15=15]
- a) Mr.X 45 yrs male admitted in ward, diagnosed with Cerebrovascular Accident. Answer the following questions.
Define Cerebrovascular Accident.
Explain the pathophysiology of Cerebrovascular Accident.
Write down nursing management with two priority nursing diagnosis of client with Cerebrovascular Accident.
 - b) Mrs. A 20 yrs old female admitted in ENT ward with diagnosis of otitis media. Answer the following questions.
Define otitis media.
Enlist the etiology and clinical manifestations of otitis media.
Write down the nursing management and surgical management with two priority nursing diagnosis of client with otitis media.

Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answerbook for all sections.

SECTION - "A" (40 Marks)

1. Short answer questions (any five out of six) : [5 × 5 = 25]
- a) Management of Unconscious patient.
 - b) Otosclerosis.
 - c) Infection control in Critical Care Unit.
 - d) Breast self examination.
 - e) Role of Industrial Nurse.
 - f) Psycho social aspects of Ageing.

2. Long answer questions (any one out of two) : [1 × 15 = 15]
- a) 45 years old woman weighing 55 kg admitted in Burns unit with 40% flame burns. Answer the following.
- i) Write immediate primary assessment of Burns (3)
 - ii) Describe pathophysiology of Burns (5)
 - iii) Discuss fluid management of Burns in first 48 hrs (3)
 - iv) Write Nursing management of burns (4)
- b) i) Write Principles of Disaster Nursing (5)
- ii) Describe concept of Triage and role of triage Nurse (6)
 - iii) Write briefly about Crisis intervention (4)

SECTION - "B" (35 Marks)

3. Short answer questions (any four out of five) : [4 × 5 = 20]
- a) Tracheostomy care
 - b) Parkinson's disease
 - c) Care of patient on ventilator
 - d) Defibrillation
 - e) Bone marrow transplant
4. Long answer questions (any one out of two) : [1 × 15 = 15]
- a) Mrs. Radha is admitted in oncology surgical unit with Cancer of Cervix
- i) Write causes of Cancer Cervix (3)
 - ii) Describe clinical manifestation of Cancer Cervix (3)
 - iii) Explain Nursing management after hysterectomy with three priority nursing diagnosis (5)
 - iv) Explain responsibility of Nurse for patient undergoing radiation therapy (4)
- b) Mr. Suresh 55 yrs admitted with diminished vision, headache.
- i) Write causes of blindness (2)
 - ii) Classify Glaucoma (4)
 - iii) Write clinical manifestation of Glaucoma (3)
 - iv) Describe Medical and Nursing management of Glaucoma (6)

Third BASIC B.Sc. Nursing Examination, Summer (Phase - II) 2019
MEDICAL SURGICAL NURSING- II

Total Duration : 3 Hours

Total Marks : 75

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All questions are compulsory.**
 - 4) The number to the **right** indicates **full** marks.
 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) Use a common answer book for all sections.

SECTION - A (40 Marks)

1. Short answer question (**any five** out of six) : [5 × 5 = 25]
 - a) Chronic Suppurative otitis media (CSOM).
 - b) Occupational hazards in nursing.
 - c) Dysmenorrhea.
 - d) Self breast Examination.
 - e) Principles of critical care nursing.
 - f) Epistaxis.

2. Long answer question (**any one** out of two):
 - a)
 - i) Define glaucoma. [2]
 - ii) Enlist causes and clinical manifestations of glaucoma. [4]
 - iii) Describe medical, surgical & nursing Management of glaucoma. [9]
 - b) Mrs. Jones 65 year old got admitted to hospital with 70% of burns
 - i) Define Burns. [2]
 - ii) Explain classifications of burns. [4]
 - iii) Describe fluid management by using Parkland formula & nursing management of burn patient. [9]

62701

SECTION - B (35 Marks)

3. Short answer question (**any four** out of five) : [4 × 5 = 20]
- a) Post operative care of tonsillectomy patient.
 - b) Palliative care.
 - c) Psychosocial changes of aging.
 - d) Management of haemorrhagic shock.
 - e) Contraceptive methods.
4. Long answer questions (**any one** out of two) :
- a) Mr. Ram 67 yrs old admitted to neuro ward with complaints of numbness, loss of sensory & motor function in lower limbs, constipation and urinary incontinence & diagnosed as Cerebrovascular Accident (CVA)
 - i) Define CVA. [2]
 - ii) Explain pathophysiology of CVA. [4]
 - iii) Describe medical, surgical & nursing management for Mr. Ram. [9]
 - b)
 - i) Define disaster. [2]
 - ii) Enlist causes and types of disaster. [4]
 - iii) Discuss the role of nurse in disaster management. [9]

 - 7) **Use a common answerbook for all Sections.**

SECTION – A (40 Marks)

1. Short answer question (any five out of six) : (5x5=25)
- a) Principles of critical care nursing. C.C.U
 - b) Myasthenia Gravis. Neuro
 - c) Discharge health education after cataract surgery. eye
 - d) Characteristics of benign and malignant tumour. onco
 - e) Premenstrual syndrome. female reproductive system
 - f) Cardiopulmonary resuscitation. CCU

62701

2. Long answer question (**any one** out of two) :

(1×15=15)

a) Mrs. Radha, 50 kg weight and 60% burn involving chest, abdomen and lower extremities admitted in burns.

- Burn
- i) Describe fluid management of this patient in emergent phase.
 - ii) Explain nurses role in wound management and infection control in this patient.
 - iii) Write measures to prevent contractures.

b) Mr. Ramesh is admitted in E N T Ward with diagnosis of Otitis Media.

- ENT
- i) Define Otitis Media and describe its types.
 - ii) Write clinical features of Otitis Media.
 - iii) Explain management of Mr. Ramesh including nursing management.

SECTION – B (35 Marks)

3. Short answer question (**any four** out of five) :

(4×5=20)

CCU a) Nursing management of patient on mechanical ventilator.

b) Role of nurse in disaster management.

eye c) Medical management of Glaucoma.

d) Glasgow coma scale.

e) Preventive measures of occupational hazards.

4. Long answer question (**any one** out of two) :

(1×15=15)

a) i) Write down causes of Ca Larynx.

ii) Indications and management of tracheostomy.

iii) Write complications of tracheostomy and health education for such patient.

b) i) Describe methods of screening and diagnosis of Ca breast.

ii) Write treatment modalities for Ca breast.

iii) Write nursing management after surgery and chemotherapy.

62701

Third Basic B.Sc. Nursing Examination, Winter 2016
MEDICAL SURGICAL NURSING – II

Total Duration: Section A + B = 3 Hours

Total Marks : 75

SECTION – A & SECTION – B

- Instructions:**
- 1) Use **blue/black** ball point pen only.
 - 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All** questions are **compulsory**.
 - 4) The number to the **right** indicates **full** marks.
 - 5) **Draw** diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) **Use** a common answerbook for **all** Sections.

SECTION – A (40 Marks)

1. Short answer question (**any five** out of six) : (5×5=25)

- 3 a) Principles of critical care nursing.
- 3 b) Management of patient with Organophosphorus poisoning.
- 3 c) Cardiopulmonary resuscitation.
- 3 d) Types of elderly abuse.
- 4 e) Non pharmacological management of pain.
- f) Discuss the types of hearing aids.

2. Long answer question (**any one** out of two) : (1×15=15)

- a) Mr. A 56 years old male admitted in ophthalmic ward, diagnosed with Glaucoma. Answer the following questions.
Define Glaucoma. Enlist the causes and clinical manifestation of glaucoma. Describe the classification of Glaucoma. Write down the nursing management of patient with Glaucoma with two priority nursing diagnosis.

P.T.O.

62701

b) Mr. Y admitted in Neurology ward with complaints of loss of sensation in right side extremities, difficulty in swallowing and diagnosed as CVA. Answer the following questions.

10 Define cerebrovascular accident. Enlist the causes and risk factors of cerebrovascular accident. Explain the Pathophysiology of cerebrovascular accident. Write down the nursing management of this case of cerebrovascular accident with two priority nursing diagnosis.

SECTION – B (35 Marks)

3. Short answer question (any four out of five) :

(4×5=20)

- 4 a) TNM classification.
2 b) Methods of termination of pregnancy.
2 c) Management of snake bite.
d) Management of a case of paraplegia.
2 e) Bone marrow transplantation.

4. Long answer question (any one out of two) :

(1×15=15)

a) Ms. A year old girls admitted in ENT ward diagnosed with Otitis Media. Answer the following questions.

10 Define Otitis media. List down etiology and risk factors of Otitis media. Discuss medical and surgical management of Otitis media. Write down the nursing and surgical management of patient with Otitis media with priority nursing diagnosis.

b) Mrs. B 56 years old female admitted in Gynecology ward, diagnosed with fibroid uterus. Answer the following questions.

List down the causes and risk factors of fibroid uterus. Enumerate the clinical manifestation of fibroid uterus. Explain the medical and surgical management of fibroid uterus. Write down the nursing management of fibroid uterus with two priority Nursing diagnosis.

62701

Third Basic B.Sc. Nursing Examination Summer 2016
MEDICAL SURGICAL NURSING – II

Total Duration: Section A+B = 3 Hours

Total Marks : 75

SECTION - A & SECTION - B

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) Do not write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All questions are compulsory.**
 - 4) The number to the **right indicates full marks.**
 - 5) Draw diagrams **wherever necessary.**
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) **Use a common answerbook for all sections.**

SECTION – A

(40 Marks)

1. Short answer question (any five out of six) : (5x5=25)
- a) Epistaxis
 - b) Responsibilities of the nurse in cancer care.
 - c) Fractures
 - d) Health teaching on breast self examination
 - e) Explain the role of nurse in communication with hearing impairment
 - f) Measures to control infections in critical care unit

P.T.O.

62701

2. Long answer question (**any one** out of two) : (1×15=15)

- a) Define cataract. Enlist the risk factors for the formation of cataract. Describe the surgical and nursing management of cataract.
- b) Define CVA. Write the pathophysiology of CVA. Explain the medical and nursing management of CVA.

SECTION – B

(35 Marks)

3. Short answer question (**any four** out of five) : (4×5=20)

- a) Tracheostomy care.
- b) Nursing management of seizures.
- c) Nursing management of dementia.
- d) Patients education on managing glaucoma.
- e) Describe briefly the modes of mechanical ventilation.

4. Long answer question (**any one** out of two) : (1×15=15)

- a) Explain briefly the age related problems in elderly. Explain the health promotion strategies in elderly.
- b) Classify the types of burns. Write the pathophysiology of burns. List down the nursing diagnosis for burns on priority basis and prepare a nursing care plan for the first three priority problems

SECTION – A

(40 Marks)

(2×2=20)

1. Short answer question (any five out of six)

- a) Epistaxis
- b) Responsibilities of the nurse in cancer care
- c) Fractures
- d) Health teaching on breast self examination
- e) Explain the role of nurse in communication with hearing impaired
- f) Measures to control infection in critical care unit

Third Basic B.Sc. Nursing, Winter 2015
Medical Surgical Nursing - II

Total Duration: Section A+B = 3 Hours

Total Marks :

Section - A & Section - B

Instructions:

- 1) Use **blue/black** ball point pen only.
- 2) **Do not** write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.

Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
- 7) Use a common answerbook for **all** sections.

Section "A" (40 Marks)

1. Short answer question (**any five** out of six) : (5x5=25)
 - a) Otalgia.
 - b) Rhinitis.
 - c) Glaucoma.
 - d) Meningitis.
 - e) Breast self examination.
 - f) Amenorrhea.
2. Long answer question (**any one** out of two) : (1x15=15)
 - a) Define Parkinson's disease. Write etiology & clinical manifestations of Parkinson's disease. Write management of Parkinson's disease.
 - b) Define cancer of Larynx. Write types & clinical manifestations of cancer of Larynx. Explain the management of cancer of Larynx.

Section "B" (35 Marks)

3. Short answer question (**any four** out of five) : (4x5=20)
 - a) Hearing aids.
 - b) Retinal detachment.
 - c) Types of head injury.
 - d) Epilepsy.
 - e) Principles of critical care nursing.
4. Long answer question (**any one** out of two) : (1x15=15)
 - a) Define cataract. Write etiology and clinical manifestations of cataract. Explain nursing management of patient with cataract.
 - b) Define disaster. Write the types of disaster. Explain role of Nurse in disaster management.

62701

Third Basic B.Sc. Nursing Examination, Summer 2015
MEDICAL SURGICAL NURSING – II

Total Duration : Section A + B = 3 Hours

Total Marks : 75

SECTION – A & SECTION – B

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) Do not write anything, on the **blank portion of the question paper**. If written anything such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All questions are compulsory.**

 - 5) Draw diagrams **wherever** necessary.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) **Use** a common answer book for **all** Sections.

SECTION – A

(40 Marks)

1. Short answer question (**any five** out of six) :

(5×5=25)

- a) Nursing responsibility in radiotherapy. ✓
- b) Write principles of Intensive care.
- c) Management of a patient with increased intra cranial pressure.
- d) Breast self examination.
- e) Management of a patient following cataract surgery.
- f) Explain nurses role in disaster management.

2. Long answer question (**any one** out of two) :

(1×15=15)

- a) 1) Define cancer of cervix.
2) Write etiology and clinical features of ca cervix.
3) Explain management of a patient with ca cervix.
- b) 1) Define Acute Suppurative Otitis Media (ASOM).
2) Write stages of ASOM.
3) Explain management of ASOM.

P.T.O.

62701

SECTION – B

(35 Marks)

3. Short answer question (**any four** out of five) :

(4×5=20)

- a) Female infertility.
- b) Nursing responsibility in lumbar puncture.
- c) Explain the types of brain tumor.
- d) Myasthenia gravis.
- e) Psycho social problems of old persons.

4. Long answer question (**any one** out of two) :

(1×15=15)

- a) 1) Define cerebro vascular accident.
2) Write etiology and clinical manifestation of CVA.
3) Explain management of CVA.
- b) 1) Define burn.
2) Write types and degrees of burn.
3) Explain in brief management of a patient with burns.

Third BASIC B.SC. NURSING Exam, Winter 2014

Medical Surgical Nursing- II

Total Duration: Section A+B = 3 Hours

Section - A & Section - B

Total Marks : 75

**Instructions:**

- 1) Use blue/black ball point pen only.
- 2) Do not write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
- 3) **All** questions are **compulsory**.
- 4) The number to the **right** indicates **full** marks.
- 5) Draw diagrams **wherever** necessary.
- 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
- 7) Use a common answer book for all section.

Section "A" (40 Marks)

1. Short answer question (**any five** out of six) : (5x5=25)
 - a) Discuss medical management of glaucoma.
 - b) Principles of intensive care unit
 - c) Complications of intracranial surgeries.
 - d) Otitis media
 - e) Abuse of elderly.
 - f) Role of a nurse in cancer prevention

2. Long answer question (**any one** out of two) : (1x15=15)

Mr Nishant is admitted in burns wards with 40% burns and his weight is 50 kg.

 - a) Discuss fluid resuscitation for first 48 hrs of Mr Nishant. Explain preventive strategies. Write nursing management for Mr Nishant.

Mrs. Geeta is admitted in intensive care unit postoperatively and kept on mechanical ventilator.

 - b) Define mechanical ventilation. Discuss different modes of ventilator. Plan a nursing care for a patient on mechanical ventilator.

Section "B" (35 Marks)

3. Short answer question (**any four** out of five) : (4x5=20)
 - a) Keratitis
 - b) Primary assessment of an emergency patient.
 - c) Disaster management during Flood.
 - d) Explain etiological factors and clinical features of endometriosis
 - e) Nurse's role in Hemodynamic monitoring.

P.T.O.

62701

Third Basic B.Sc. Nursing Examination, Summer 2014
MEDICAL SURGICAL NURSING – II

Total Duration: Section A + B + C = 3 Hours

Section B & C Marks: 60

SECTION – B & SECTION – C

- Instructions :**
- 1) Use **blue/black** ball point pen only.
 - 2) Do not write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.
 - 3) **All questions are compulsory.**
 - 4) The number to the **right** indicates **full marks**.
 - 5) Draw diagrams **wherever necessary**.
 - 6) Distribution of syllabus in Question Paper is only meant to cover entire syllabus within the stipulated frame. The Question paper pattern is a mere guideline. Questions can be asked from any paper's syllabus into any question paper. Students cannot claim that the Question is out of syllabus. As it is only for the placement sake, the distribution has been done.
 - 7) **Use a common answer book for all Sections.**

SECTION – B

(30 Marks)

2. Answer the following (**any five** out of six) : **(5x3=15)**
 - a) Explain in detail about the management of epistaxis.
 - b) Pathophysiology of meningitis.
 - c) Classical signs of cancer.
 - d) Tracheostomy care.
 - e) Metastasis.
 - f) Increased intracranial pressure.
3. Answer the following (**any three** out of four) : **(3x5=15)**
 - a) Triage in disaster management
 - b) Radiotherapy
 - c) Contraceptive methods
 - d) Breast self examination.

P.T.O.

62701

SECTION - C

(30 Marks)

4. Answer the following (**any two** out of three) :

(2x15=30)

a) Mrs. Laxmi aged 27 yrs, brought to the emergency department with complaints of 60% burn, her body weight is 52 kg. Answer the following.

a) Write the classification of the burns. 5

b) Calculate first 24 hours fluid requirement for Mrs. Laxmi by using parkland formula. 5

c) Enlist the complications of burns and describe its prevention. 5

b) Mrs. Yamini 54 yrs old, admitted in gynecology ward with complaints of uterine bleeding. Answer the following.

a) Enlist factors associated with dysfunctional uterine bleeding. 5

b) Describe the surgical management of dysfunctional uterine bleeding. 5

c) List down the nursing diagnosis and prepare a nursing care plan with two priority needs. 5

c) Mr. Aravind 60 yrs old, admitted to the oncology ward and diagnosed as cancer larynx. Answer the following.

a) Enlist the causes of cancer larynx. 2

b) Elaborate clinical manifestations of cancer larynx. 3

c) Prepare nursing care plan with minimum 3 priority needs. 6

d) Health education for Mr. Aravind after total laryngectomy. 4

7

MEDICAL SURGICAL NURSING – II**

Total Duration: Section A + B + C = 3 Hours

Section B & C Marks: 60

SECTION – B & SECTION – C

- Instructions:** 1) *All questions are compulsory.*
2) *The number to the right indicates full marks.*
3) *Draw diagrams wherever necessary.*
4) *Do not write anything on the blank portion of the question paper. If written anything, such type of act will be considered as an attempt to resort to unfair means.*

SECTION – B

2. Answer the following (**any 5** out of 6) (5×3=15)
- a) Role of a nurse in a Triage.
 - b) CVP monitoring.
 - c) Role of a nurse in prevention of infection in ICU.
 - d) Risk factors of glaucoma.
 - e) Causes of dysmenorrhoea.
 - f) Role of a nurse in communicating with elderly people.
3. Answer the following (**any 3** out of 4) : (3×5=15)
- a) Nursing care of patient receiving radiation therapy.
 - b) Nursing care of patient with epistaxis.
 - c) Toxic shock syndrome.
 - d) TNM classification of carcinoma.

SECTION – C

4. Answer **any two** LAQ out of three.
- a) Mrs. Lakshmi a 70 year old lady is admitted to stroke unit with cerebrovascular accident.
 - i) Write the causes of CVA. 4
 - ii) Write the clinical manifestations of CVA. 5
 - iii) Describe the nursing process for Mrs. Lakshmi. 6

P.T.O.

62701

- | | |
|--|---|
| b) i) Define chronic otitis media. | 1 |
| ii) Enlist clinical manifestation of otitis media. | 4 |
| iii) Describe surgical management for otitis media. | 3 |
| iv) Discuss nursing process of a patient undergone tympanoplasty. | 7 |
| c) Mr. Sonawane 60 kg old man is admitted in burn ward with 50% TBSA burn. | |
| i) Classify burn injury as per depth of tissue destruction. | 3 |
| ii) Discuss fluid and electrolyte imbalance occurring in emergent phase of burn. | 4 |
| iii) Explain fluid resuscitation for Mr. Sonawane. | 3 |
| iv) Explain about wound management of burn injury. | 5 |
-

62701

Third Basic B.Sc. Nursing Examination, Winter 2012
MEDICAL SURGICAL NURSING – II

Total Duration: Section A + B + C = 3 Hours

SECTION – B & SECTION – C

- Instructions:**
- 1) All questions are **compulsory**.
 - 2) The number to the **right** indicates **full marks**.
 - 3) Draw diagrams wherever **necessary**.
 - 4) Do not write anything on the **blank portion of the question paper**. If written anything, such type of act will be considered as an attempt to resort to unfair means.

SECTION – B

2. Answer the following (any five out of six) : (5×3=15)
- a) Otitis media.
 - b) Health problems in elderly patients.
 - c) Brachy therapy.
 - d) Diet in burns.
 - e) Principles of intensive care.
 - f) Triage in trauma nursing.
3. Answer the following (any three out of four) : (3×5=15)
- a) Organophosphorous poisoning – signs and symptoms.
 - b) TNM classification.
 - c) Nursing care of patient on ventilator.
 - d) Discharge teaching to a patient undergone total laryngectomy.

SECTION – C

- Answer any two LAQ out of three : (2×15=30)
4. a) i) Define CVA (Cerebro Vascular Accident). 3
- ii) List the effects of CVA on the individual and the family. 6
- iii) Briefly describe the nursing management of a patient with CVA having right sided hemiplegia. 6

P.T.O.

62701

4. b) Ms Nayana 24 year old lady is admitted in Burns Unit with 40% burns. Her weight is 45 kg.
- i) Write the methods of calculating percentage of burns. 3
 - ii) Explain the fluid management and medical management for 1st 24 hours. 6
 - iii) List the nursing diagnosis and explain first 3 priority problems. 6
4. c) Mrs. Nandita is admitted inward with diagnosis of Ca Breast.
- i) Method of screening and diagnosis of Ca Breast. 3
 - ii) Treatment modalities for Ca Breast. 6
 - iii) Nursing care during radiation therapy. 6

62701

Third Basic B.Sc. Nursing Examination, Summer 2012
MEDICAL SURGICAL NURSING – II

Total Duration: Section A + B + C = 3 Hours
